

## CURES FOR THE UNCURED!

## HOLLOWAY'S OINTMENT.

AN EXTRAORDINARY CURE OF SCROFULA OR KING'S  
EVIL.

*Extract of a Letter from Mr. J. H. Aliday, 209, High Street,  
Cheltenham, dated the 22d of January, 1850.*

To Professor HOLLOWAY.

SIR,—My eldest son, when about three years of age, was afflicted with a Glandular Swelling in the neck, which after a short time broke out into an Ulcer. An eminent medical man pronounced it a very bad case of Scrofula, and prescribed for a considerable time without effect.—The disease then for four years went on gradually increasing in virulence, when, besides the ulcer in the neck, another formed below the left knee, and a third under the eye, besides seven others on the left arm, with a tumor between the eyes which was expected to break. During the whole of the time my suffering boy had received the constant advice of the most celebrated medical gentlemen at Cheltenham, besides being for several months at the General Hospital, where one of the surgeons said that he would amputate the left arm, but that the blood was so impure, that if that limb were taken off it would be then even impossible to subdue the disease. In this desperate state I determined to give your Pills and Ointment a trial, and after two months' perseverance in their use, the tumor gradually began to disappear, and the discharge from all the ulcers perceptibly decreased, and at the expiration of eight months they were perfectly healed, and the boy thoroughly restored to the blessings of health, to the astonishment of a large circle of acquaintances, who could testify to the truth of this miraculous case. Three years have now elapsed without any recurrence of the malady, and the boy is now as healthy as heart can wish. Under these circumstances I consider that I should be truly ungrateful were I not to make you acquainted with this wonderful cure, effected by your medicines after every other means had failed.

(Signed) J. H. ALIDAY.

CURE OF ACUTE RHEUMATISM OF FOUR YEARS  
STANDING.

*Extract of a Letter from Mr. John Pitt, Dudley, 19th Jan. 1850.*  
To Professor HOLLOWAY.

SIR,—It is with the greatest pleasure that I write to thank you for the benefit I have received from your Pills and Ointment, which have completely cured me of the Rheumatism, under which I suffered for this last four years, at times I was so bad as hardly to be able to walk. I had tried every kind of medicine that was recommended without receiving any benefit. I at last thought I would give your medicines a trial!
