CONSECRATION OF

ALL SAINTS' CHURCH.

The day of Consecration of All Saints' Church, so longed for by its members, Oct. 31st has come and gone. The weather was propisions, and dispelled the forebodings of the previous day which was very stormy. The Bishops of Fredericton and Maine,

the prayer,-"Defend, O Lord, this thy ser designs, were adopted with some slight altera tions; the work has been carried on and completed vant with thy heavenly grace, that he may continue thine for ever ; and daily increase in under the direction of Henry Osburn, Esq., C. E., manager of the N. B. & C. Railway, who both furnished the plans and superincended the con-struction. The Church consists of a nave with a special confirmation for the reception of new members into the church, and also for the pur-pose of confirming those of our own people who were prepared. The rite seemed especially applicable, on the first day of holding service

applicable, on the first day of holding service high spire. In the new building. After confirmation our Bishop ascended the pulpit, and rivetted the attention of the mul-titude present for about three quarters of au titude present for about three quarter After commission of the mul-pulpit, and rivetted the attention of the mul-titude present for about three quarters of an hour. His text was taken from Rev. xxi, 5. "Behold I make all things new." He shewed that what are called innovations, are not needed. "Behold I make all things new," the there are good innovations are not necessarily wrong; that there are good innovations south side of the choir is an arch 7 feet greining

as well as bad ones. That christianity was the greatest ininto the organ room, and on the north a novation, that has ever occurred, since the ponding arch into the vestry, this arch-to have a world was made-that the change from Judaism decorated screen. twelve elergymen, and the corporation of All

Saints, met at she old Church at 10 o'clock to world was made—that the change from durans in the change from durans i
