NOVA SCOTIA'S NEW ALDERSHOT.

Large Tract of Land Near Kentville Secured for Military Purposes.

Kentville, July 16 .- That large tract o land bordering on Shadow street and including, in part, the Robinson estate, Milledge Rafuse property, George Carter lands,

B. H. Dodge property, and the Kentvill driving park, embracing in all some 70 acres of upland, well watered and level has been purchased by the government fo a drill ground. The situation offers un rivalled facilities for the purpose inter and the choice is admittedly a good one To quote Lord Aylmer: "If it were pos sible to take the tract of land up and se it down alongside Aldershot, in England ou would have difficulty in telling the apart, so similar are the two locations both as regards soil and lay of land." Th land has already been surveyed, and only last week one of the government engineer was here for three days locating rifle

ranges, building sites, etc. As near as can be learned, this depoi or camp will be unlike anything of the and now in the maritime provinces, for in addition to the annual drill taking place ere, there will be erected accommodati for quartering and drilling at least 100 me at a time, who, as they become proficient will be followed by another hundred, and so on.

There is no question about the camp being held here this fall. Colonel Irving is now in town making all arrangements and the Dominion Atlantic Railway are placing a siding to the grounds. The sta-tion will be located on the top of the grade, about half a mile north of the trot ting park crossing. In a very short time over 100 men will be at work clearing away the ground and erecting store rooms etc., for the September drill.

The old men asked for an advance of 25 cents and got $\10 cents; the others asked an advance of 30 cents; as a result the men rulesday decided make if they were given the 31.10 and \$1.40, which had been suggested as a compromise they would accept it and return to work. This was communicated to the aldermen and to Director Cushing, and the latter the others asked an advance of 30 cent issued instructions to the foremen to set the men to work on these terms and got 20 cents.

BY SATISFACTORY COMPROMISE.

While it is a compromise it is also a lecided improvement in the wages scale of the city laborers. The men went on strike on Friday July 3rd, and have therefore been out 12 days, during which important work has remained idle and filth has accumulated

the men to work on these terms. The dispute is thus amicably set 13d⁻to the mutual satisfaction of the men and the city council. The strike was conducted with the utmost good humor. At the labor meetings the aldermen and Director Cushing and Superintendent Murdoch were put on the gridiron betimes, and the advisability of going after them at the next election was often urged, but beyond these expressions of feeling the strikers conducted the affair with commendable moderation.
