

ORANGE DIRECTORY

OF

WESTERN ONTARIO.

COMPILED BY

THOMAS KEYES,

GRAND SECRETARY, ST. CATHARINES.

It is the duty of every County, District and Primary Lodge to make an Annual Return to the Grand Secretary.

The returns from Primary Lodges shouldⁿ be made the day after the regular meeting in December, and should distinguish the Officers elect for the coming year.

The returns from District Lodges should be made on the second Wednesday in January.

The returns from County Lodges should be made on the first Wednesday in February.

All sentences of Suspension and Expulsion from the Order, must be taken from the Primary Lodge to the District, thence to the County for confirmation, and be entered on the several returns, otherwise they will not be entertained by the Grand Lodge.

All Reports, Rituals, Constitutions and Blank Forms will be supplied gratuitously, through the County Masters, to whom all applications of this character should be made.

The delay in the issue of the Report and Directory was caused by the tardiness and incompleteness of many of the returns, but the Grand Secretary hopes for greater promptness and accuracy in the future.

All communications must be prepaid.

THOMAS KEYES,

Grand Secretary.

St. Catharines, Ont., 1871.
