

7. At the conclusion of each term, examinations will be held in all the subjects taught, and prizes will be awarded for excellence in each department at the end of the session. Candidates for Diplomas and Certificates are required to enter for these.
8. All Regular Students are required to be in attendance at the School during the whole of each term, unless exempted by special permission of the Board. The term will not be allowed to any student who has attended less than three-fourths of the required Lectures and practical Lessons, or who has been reported to the Board for bad conduct, and adjudged guilty thereof.
9. Students of the School of Practical Science shall attend such courses of Lectures as are delivered by the Professors of University College to the students thereof, so far as applicable to both classes of students, while instruction of a practical character in the Department of Engineering is specially appointed for students of the School.
10. Special students may be permitted to attend such lectures or courses of instruction, or of practical work as the Board may think proper.
