loved ones of many in Canada. But joy was turned to sorrow in every civilized land during April of that year when the great emancipator Abraham Lincoln entered into his eternal rest.

MR. BALL'S LIFE

Few ministers and their wives were more beloved & honored than the late Rev. Richard Ball and Mrs. Ball. Mr Ball died in Windsor in 1925. He was born in St. Catharines in 1845, son of the Rev. Henry Ball, who had formerly been on a plantation in Virginia and apart from his daily work was a local preacher there. The father escaped to the North in company with his brother and settled in St. Catharines, where he frequently preached. Through his efforts money for the little St. Catharines Church was collected.

The father died when Richard had reached the age of eight and there was a long apprenticeship for the boy in a barber shop, and afterward a partnership in the same business.

He married in early life, Mary Jackson, the girl who proved such a true helpmeet to him, and after his conversion joined the church in his home town. Both Mr. and Mrs. Ball were gifted with remarkably fine voices, and in early days as children, gathered around them

the family gave concerts in every part of the country, travelling from coast to coast.

Their public career as evangelistic singers began at Grimsby, Ont when in 1877 he late Rev. Dr Hugh Johnson asked them to sing at the first temperance demonstration in Grimsby Park. There are few towns in Canada which have not been privileged to hear the sweet singing of "The Ball Family." One of the sons is now pastor of a church in Rochester, N.Y. Two daughters died in the United States while their father was pastor of the Winnipeg church, and one daughter died in this city a few years ago.

MANY YEARS AGO

Mr. Ball was invited to sing in Toronto many years ago, first by F S Spence. He sang in Occident Hall, and later in the old Allan Gardens Pavillion. During his early-years Mr. Ball took charge at various times of the churches in Windsor, St. Catharines and Lindsay. His ordination as an evangelist took place in 1889. He was pastor in London when the call came to the BME Church on Chestnut Street, Toronto. Accepting, he came in 1911 and remained until 1916. Then came a call to Winnipeg, where he was in charge five years. But the BME Church remembered the good work of their pastor and asked him to return. He was stationed at this church in the city of Toronto when the end came.

Mrs. Ball is now residing with a daughter, Mrs. Parker, of Toronto.
