AND ASSOCIATED COMPANIES

RUBBERS Will Help Your OLD SHOES to Last Through the Bad Weather

A new pair of rubbers will make the old shoes water-proof—will give you new, springy rubber heels—and prevent you from slipping on the slushy or icy sidewalks.

Rubbers are an absolute necessity during the next two months, to keep feet dry and prevent you from taking cold.

There's a double reason for you to look for these Trademarks when buying Rubbers—

“Jacques Cartier”

“Merchants”

“Maple Leaf”

“Granby”

“Dominion”

“Daisy”

are the Dominion Rubber System brands that enable you to get just the style and shape of rubbers to perfectly fit each pair of shoes you wear.

The Trademarks guarantee the quality. Look for them whenever you buy.

MOYTO: "FOR KING AND COUNTRY."

A secretary of the Queen Anne

Chapter I.O.D.E. for 1918, I have the honor to present to you the fourth report. The membership roll is now 101, an increase of eighteen members during the year. The last annual meeting was held Feb. 12th, 1918, and since then, nine regular and five special business meetings have been held as well as the regular Monday work meetings, with an average attendance of thirty-five to forty members. Much Red Cross work has been accomplished. Meetings during the summer months were discontinued, but members pledged themselves to individual effort.

The Chapter has had a very active year, beginning last May with a St. Patrick's day Tea and home-baking sale, the proceeds amounting to \$50.00. On March 24th, lantern slides, kindly loaned by the Military Commission Hospitals, were shown at the Roma Theatre, and the sum of \$68.00 received. On April 4th a Bridge and Dance were given at the Masonic Hall, and on April 25th a Song Recital at St.

Jerome's College Hall. A nice sum was realized. In May, the teachers on the Staff of the Collegiate, who are chapter members, gave successful patriotic teas, making \$60.55, and later in the month, a three days Hummage Sale brought receipt of \$15.00. On May 6th, the chapters of this district were addressed by Madame Cosgrain of the Madeline de Verchere Chapter, Ottawa, on the subject of reclaiming devastated France. At the one business meeting, it was decided to compile a Chapter Honor Roll. A shower of Sailors Comforts was held June 10th with good response. For National Registration Day, 25 members volunteered to give either all-day or half-day service.

In September, work was resumed. A Rummage Sale the last of the month brought \$63.00 to the funds. The money made by individual effort amounted to \$105.00. Owing to the severe influenza epidemic, plans for October were cancelled, but Chapter members responded splendidly to the call for volunteer helpers, working under the direction of the Red Cross Society. On November 9th, the Chapter catered for a Victory Loan luncheon, and realized \$120.00. A sale of old motor tires brought \$25.60. On Dec. 5th, Mr. F.A. McKenzie, war-correspondent, lectured at the Roma Theatre to a large audience, under Queen Anne

auspices, and previous to the lecture, the members catered for a dinner given in honor of Mr. McKenzie by the Men's Canadian Club. The proceeds from both were \$119.00 net.

On Jan. 18th, the first of a series of very successful "The Danzans" was held, and on February 1st the second, with the third on Feb. 15th. The total net receipts were \$158.00. Skating parties were planned but postponed because of unfavorable weather.

Letter of sympathy have been sent to mothers and wives bereaved by the war.

Because of the success of the money-making ventures for which the Chapter is indebted to the citizens of Kitchener and Waterloo, the following donations were made possible:

To the Kitchener Branch of the Red Cross Society \$350.00.
To the Red Triangle Fund \$50.00.
To the I.O.D.E. Residential Nurses' Club, London, England \$50.00.
To the Franco-British Aid Society \$10.00.

Six prisoners of war supported at a cost of \$300.00, and Christmas boxes to 150 overseas Kitchener soldiers at a cost of \$176.64. Easter and Christmas treats were sent to the soldiers and nurses at the Fraser Sanatorium. Fifty Sailors' comfort bags were made up, filled and sent to Halifax, and fifty garments for destitute French children were sent to France through the Secours National. A donation of \$10.00 was made to the Dorsey Girls' Club to help furnish their room, which through the girls' kindness, the Chapter uses for meetings. Also a gift of \$100.00 was sent to the Princess of Wales Chapter for the returned soldiers' fund, and \$50.00 donated to the Salvation Army Campaign.

The total receipts for the year have been \$1933.40, and expenditures \$1639.82. The Chapter has raised since its formation in March 1915, \$7168.40.

The signing of the armistice has brought much joy, and a weight of anxiety has been raised from many hearts, but the Daughters of the Empire have still much to do. These are the closing words of our National Secretary in her message to the Chapter. "Let us solemnly pledge ourselves to work steadfastly to build an undivided heritage, and to make Canada worthy of the price that has been paid to save British ideals."

Respectfully submitted,
Fannie C. Purves,
Secretary.

The officers elected for 1919 are as follows:

Hon. Regent, Mrs. Ralph McNeal.

DANDRUFF SURELY DESTROYS THE HAIR

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by a means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush and wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need no matter how much dandruff you have. This simple remedy never fails.

FOOD WILL PREVENT DISEASE

Food is always a better preventive of disease than serums, toxins or other drugs—but be sure the food is pure, clean, nourishing and easily digested.

Shredded Wheat

is the most thoroughly cooked cereal in the world. It is the whole wheat boiled in steam, drawn into filmy, porous shreds and then baked crisp and brown in coal ovens. Epidemics of disease may be traced to under-nourishment. Keep yourself fit by eating foods that fortify you against disease. Serve Shredded Wheat with hot milk or cream and fruits.

MADE IN CANADA

\$5.00 for \$4.00

and each Dollar worth more

GROWING! GROWING! GROWING!

Price of W-S-S.
in February \$4.01
in March \$4.02

What is \$4.00 today? It is a question of purchasing power. What will \$4.00 buy at present prices? Just over one third of a barrel of flour. Before the war flour was selling at \$5.00 a barrel.

No one can say just how much more the purchasing power of the dollar will be in 1924, but you can see that the four dollars you put into War-Savings Stamps now, will grow, not only in number, but in value.

Your investment in War-Savings Stamps is like the snowball rolling down a slope. You give it a start and it grows by itself!

Your four dollars becomes five, and every dollar will be worth more.

Whether you buy one W-S-S. each day, or each week, or each month, or only two or three in a year, your money is growing, growing, GROWING all the time.

Those who cannot invest \$4.00 at a time, can buy Thrift Stamps at 25 cents each. Sixteen of these on a Thrift Card will be accepted as \$4.00 in exchange for a W-S-S.

W-S-S. are sold wherever you see this sign.
Thrift Stamps are sold at above places, and by patriotic storekeepers.
