

First and Still First

¶ No other tire can offer you a single feature not found in Dunlop Tires—"Traction," "Special" or "Plain."

¶ We are the founders of the tire industry in Canada, and our experience is greater than that of all other Canadian tire-makers combined.

Electric Service

Means comfort, convenience, economy, and safety.

The home that is completely equipped with electrical devices is a happy one.

All the drudgery of housekeeping is eliminated by electricity.

You can wash, iron, sew, sweep, cook, keep cool in summer and warm in winter, by means of electrical apparatus designed especially to relieve you of unnecessary and fatiguing labor.

At our showrooms all these devices are ready for your inspection. Competent demonstrators will operate and explain them for you.
