Do You Want a New Sewing Machine?

TS it a new Sewing Machine you're wanting? If so, let us introduce our **Seamstress Sewing Machine**—the best on the market to-day for the money. The SEAMSTRESS has gained an enviable reputation for itself, and the hundreds now in daily use are giving perfect satisfaction. It combines the most desirable features of an up-to-date sewing machine. It is simple in construction; in fact, so simple that a child can readily learn to operate it or adjust its attachments. All its parts have been thoroughly tested, and for sewing qualities it cannot be surpassed. With every machine a certificate of warranty for 5 years is given by the manufacturers. Besides this, it carries our guarantee to refund money if not entirely satisfactory.

These prices make interesting reading :

- No. 3 SEAMSTRESS.** With three drawers, finished in plain oak, at **\$21.00**; or in quartered oak at **22.50**
- No. 4 SEAMSTRESS.** With five drawers, like cut above, finished in plain oak at **\$22.50**; or extra finish in quartered oak, at **24.00**
- No. 4. DROP HEAD SEAMSTRESS.** Finished in quarter cut oak (the machine drops out of sight), at **25.50**

The Attachments, supplied free with each machine, are of the latest improved pattern, interchangeable, and cannot be put on wrong. They are constructed to slip on the presser-bar, and require neither screw-driver nor thumb-screw to fasten them. They are made of the best steel, polished and nickel-plated. They consist of Ruffler, Tucker, Binder, Under Braider Slide-Plate, Sherring Side-Plate, 4 Hemmers, assorted widths, Quilter, Thread Cutter, Foot Hemmer, Feller, and 2 Screw-Drivers.

How can we afford to sell them so cheaply? The explanation is easy. We sell them as we do Dry Goods—on the smallest margin of profit. We buy and sell strictly for cash, and pay no big commissions to agents and collectors. Deduct these wasteful expenses from the prices usually asked for machines and you have our prices.

Personal Instructions are not necessary. A little study of our Illustrated Instruction Book, which is supplied with each machine, will enable the most inexperienced to operate a machine successfully.

You run no risk in buying the SEAMSTRESS. If it does not give satisfaction or come up to your expectation, return it to us and we will cheerfully give you back your money.

Mail Orders Filled Promptly No matter where you live, one of these machines may be yours. Send your order to us by mail, and we'll see to it that it is carefully attended to.
