

Application of
property and
funds.

4. All land held and to be held by the corporation shall be so held and used for the purposes of such Cemetery only; and no part thereof wherein any interments have been made shall be diverted to any other use whatever, or in any wise alienated by the corporation; and all funds and revenues of the corporation, from whatever source derived, shall be devoted to the maintenance of the Corporation, and to the acquisition, improvement and repair of the buildings and other real estate thereof, and to no other purpose whatever. 5

Returns to
Government.

5. The Corporation shall, at all times when thereunto required by the Governor, or by either branch of the Legislature, make a full return of its property, real and personal, and of its expenditure, for such period and with such details and other information as the Governor or such branch of the Legislature may require. 10

Public Act.

6. This Act shall be deemed a Public Act.
