LIVER COMPLAINT.

The liver is the largest gland in the body; its office is to take from the blood the properties which form bile. When the liver is torpid and inflamed it cannot furnish bile to the bowels causing them to become bound and costive. The symptoms are a feeling of fullness or weight in the right side, and shooting pains in the same region, pains between the shoulders, yellowness of the skin and eyes, bowels irregular, coated tongue, bad taste in the morning, etc.

pattern. The skirt is of new design, being a three-piece circular one and of unusual grace. It is excellent for thin silks and veillings as well as suitings and a deep gathered flounce for trimming such is provided. The suit skirt may be stitched or trimmed with flat bands in folds of the material. For the medium size 3 3/4 yards of 44-inch goods are needed for the skirt and 2 yards of 54-inch for the coat.

Two patterns: 4082—sizes, 10 to 16 years. 4083—sizes, 15 to 17 years. The price of these patterns is 30 cents but either will be sent upon receipt of 15 cents.

Special Offer—This pattern, with any one other pattern in this issue, together with one year's subscription to The Western Home Monthly—all three for 50 cents.

6720—A Maid's Apron Cap.

There is no sight more pleasing to the chance caller than to be met by a dainty maid and no garb more attractive than the snowy apron and cap most used among polite society. The apron has a bib and bretelles on the shoulder which are always becoming. The cap is a small diamond of

material trimmed with tucks and lace. Nainsook or a fine lawn may serve as material. For the medium size 3 3/4 yards of 36-inch goods are needed for the apron and 1 1/4 yards of 18-inch for the cap.

6720—One size. Price 15 cents.
Special Offer—These patterns together with one year's subscription to The Western Home Monthly—all three for 50 cents.

6738-6739—An Attractive Gown in Cashmere.

Cashmere is quite as much in favor as it was a year ago and some very smart gowns are being made of it. The one sketched will appeal to the woman who makes her own gowns or has them made at home because the lines are simple and yet there is an air of

quality and dash about it that causes one to admire it. The tucks upon the shoulder back and front provide extra fullness where it is needed and broaden the shoulder line. The tucker may be omitted if one prefers a gown of simpler design. The sleeves are decidedly different from the usual ones having the straight extensions on the inside and the shorter full puff with its fancy touches on the outside and back of the arm. The cuffs may be omitted for elbow length. The skirt is a new four-piece circular one with pleats at each seam stitched in slot-seam effect. In the centre of each gore there is a box pleat which provides extra fullness and grace for the skirt. These may be stitched to any desired depth. Any of the new seasonable fabrics may be used, the medium size demanding 7 yards of 44-inch material. Two patterns: 6738—sizes, 32 to 42 inches bust measure. 6739—sizes, 20 to 32 inches waist.

The price of these patterns is 30 cents but either will be sent upon receipt of 15 cents.

Special Offer—This pattern, with any one other pattern in this issue, together with one year's subscription to The Western Home Monthly—all three for 50 cents.

6732—A Graceful Lounging Robe.

There is no garment which is so expressive of so much languorous ease as the kimono and none which is so restful for the afternoon nap. The long shoulders and loose flowing sleeves impart an Oriental grace to the wearer while the simplicity of its closing means much for its popularity. The Japanese materials are best suited to carrying out the garment but plain

bands may trim the edges. The Empire girdle gives the real Geisha-girl effect but it may be omitted if desired. For the medium size 8 yards of 27-inch material are needed to develop the pattern.

6732—sizes, small, medium and large. Price 15 cents.

Special Offer—This pattern, with any one other pattern in this issue, together with one year's subscription to The Western Home Monthly—all three for 50 cents.

Castors on Tables.

Put castors on the legs of the kitchen table so that it may be easily moved to the most convenient place, near the pantry or the stove, as the housekeeper is baking or getting meals.

A Cheerful Face.

Next to the sunlight of heaven is a cheerful face. There is no mistaking it. The bright eye, the unclouded brow, the sunny smile—all tell of that which dwells within. Who has not felt its electrifying influence? One glance at the face lifts us out of the mists and shadows into the beautiful realms of hope. One cheerful face in the household will keep everything warm and light within. It may be a very plain face, but there is something in it we feel, yet cannot express, and its cheery smile sends the blood dancing through our veins for very joy. Ah, there is a world of magic in the plain, cheerful face, and we would not exchange it for all the soulless beauty that ever graced the fairest form on earth.

Indigestion

Stomach trouble is but a symptom of, and not, in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend
