

Forestry Week Oct. 17-22

Country Dance Club

by PRU EDWARDS

We held our first meeting on Wednesday 12th and had just about the attendance we expected, that is, the people who already know what it's all about! Where are our beginners? We had a lot of fun, but everybody would enjoy dancing much more with plenty of new people, beginning instruction right from scratch. The teacher of this new student group is Pru Edwards, a member of the long-established Fredericton S.C.D. Group. We danced one old favourite, "the Duke of Perth" (remember that from "Tunes of Glory"?), and learned a new dance, 'Lady Auckland's Reel', and were home by 8:45 in time for an evening of study, (or something). It's hard to get started on something entirely new all by yourself, so don't! Get a crowd together for moral support and give Scottish Country Dancing a try. Get in there with M.I.T., Harvard and Queen's! We told you something about it in the last Brunswickan, now come and see for yourself, Men, this is one kind of dancing where women are kept in their place, this is for you! We meet every Wednesday at the C.O.T.C. hut, (Naval Training Division) from 7:30-8:30.

Forestry Week Schedule Released

- SCHEDULE**
- MONDAY — OCTOBER 17**
Soccer Game — 8:30 p.m.

Hammerfest — 6:30 p.m. Ranger Cabin, Rlanagan Road, U.N.B. Woodlot

Bushman's Ball Friday Night 9 PM

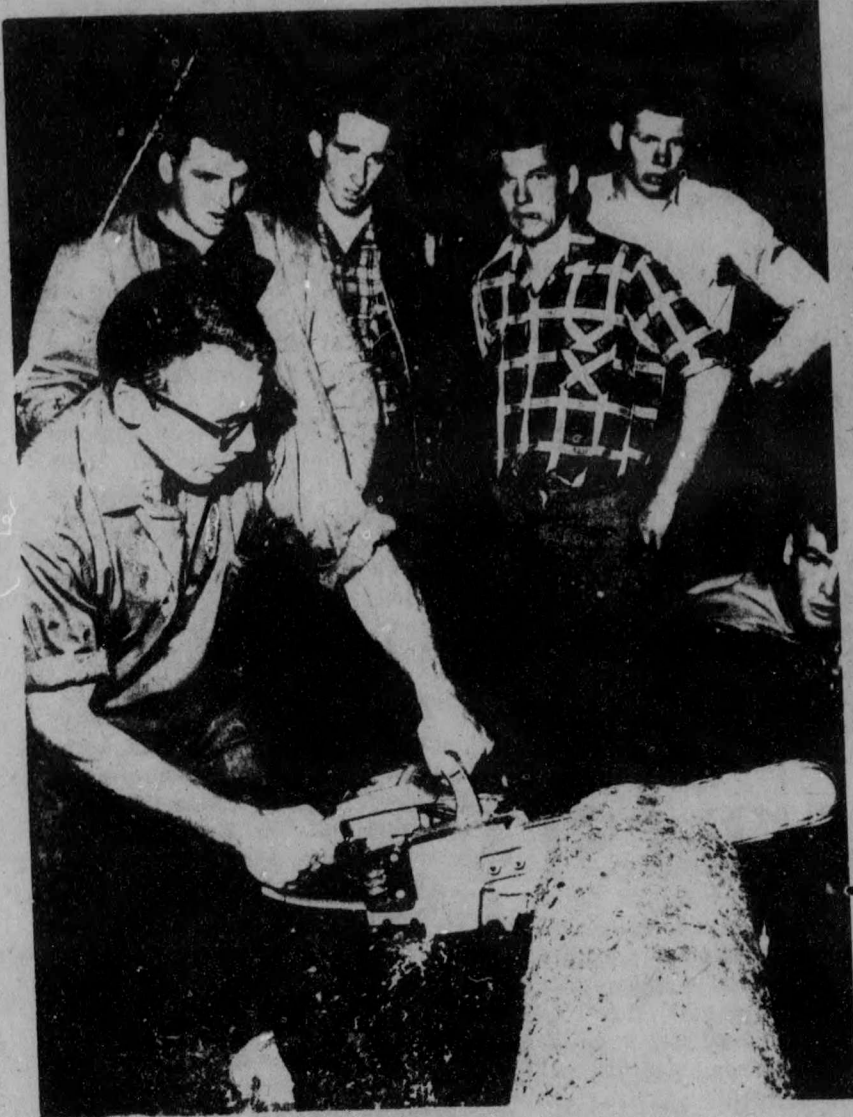

The Bushman's Ball, one of the biggest and best dances of the year, will take place Friday Oct. 21. Tony George and the Imperials are returning again this year and if they perform as last year it should be "a real big show".

Miss Forestry will be announced and crowned at the Ball. This year's candidates are: Dawn Charlton (Nur. 3), Barb Hughes (Arts 2), Cassie Lewis (Arts 2), Andie Doucet (Nur. 3) and Jeannie Millett (Nur. 2). These ladies were presented to the foresters at the Queen's Social last night. Voting for selection of the Queen takes place tomorrow morning on the top floor of the Forestry Building.

The Bull of the Woods (top performer in faculty woodsmen competitions) will also be announced at the Ball and will be presented with the double bitted axe, symbolic of such a performance.

Forestry Week Co-chairman Laird Brown advises that tickets will be available at the door for the Bushman's Ball. Admission: Forestry Association members \$1.50 per couple, non Association members \$2.00 per couple. The dance starts at 9:00 p.m. and will be held in McConnell Hall.

FORESTERS — Help stamp out segregation; take an Engineer home for dinner today! (They don't taste too bad with lots of ketchup).

The Annual Intercollegiate Woodsmen's Meet will be held Saturday, October 22.

Teams representing the Maritime Ranger School, the MacDonald Agriculture College of Montreal, the University of Maine, the Nova Scotia Agriculture College and defending champions, the UNB Forest Ranger School will compete.

Competition will be in buck-sawing, chain-sawing, axe-throwing, knife throwing, logrolling, cross-cut, axe cutting, kettle boil, and chain throwing.

An official opening is planned with government officials and faculty members to be present.

Equipment Openhouse Display

On Saturday morning (Oct. 22) at the Lady Beaverbrook Rink Parking Lot. There will be a display of commonly used heavy logging equipment. It is hoped to have several types of skidding and hauling equipment there. Local firms are, again this year making such equipment available to the foresters. The display will be set up in the same area in which the Inter-collegiate Woodman's competitions are taking place.

This Friday afternoon the forestry faculty throws open its doors to the general public. Under the direction of Steve Hoyt this year's Open House appears to be bigger and better than ever. Students from high schools across the province have been invited and guided tours for them have been arranged. Displays of various types of forestry equipment will be set up in the different labs. Dr. J. W. Kerr, Dean of Forestry, will address the students in the forestry lounge and refreshments will be served.
