32 teams in forestry week

BY RICK WIGHTMAN
Brunswickan Staff

Forestry week commenced early last Saturday morning in the parking lot above Lady Dunn Residence with the 16th International Woodsmen competition organized by the UNB Foresters Association.

A record 32 teams from Maine, Quebec, Ontario, Nova Scotia and New Brunswick took part in the annual event. Again this year, Lakehead University travelled to the competition from Thunder Bay, Ontario through snowstorms, sleet, hail and rain. Spirits might have been dampened

Saturday morning by the sub-zero temperatures and snow but everyone kept to it.

Despite the equipment being used and the number of people taking part this year there were no accidents of severity, a goal of the association. A few stitches easily repaired by the St. John Ambulance crew standing by on the site.

Thanks go out to the following for their help in making the competition a success: Moosehead and Schooner Breweries

St. John Ambulance Faculty who helped judge Students who officiated and all the foresters who gave a hand.
