KINGSTON, *Oct. 29<sup>th</sup>* 1908

*My dear Mackenzie King*  
I do not think that the result  
of any election has pleased me more  
than you — you represent the  
young men of Canada & with your  
lofty ideals, purity, & uprightness  
you should be a splendid addition  
to Sir Wilfrid's cabinet.

Keep on the higher plane that  
you have already taken & try  
to raise the standard of Canadian  
politics & you success is assured.

As you know I am a soldier  
& cannot take the active part  
in politics that I did some time  
ago.

Believe me dear Mackenzie King

Yours ever sincerely

Mackenzie King
