man - without pretending
any change of his political
views or principles - deserts
those who have stood by
him, to join hands with
lifelong political
opponents -

So I exult - and fatten
today as I think of the
retribution in store for the
men who sought to destroy
us only two short years
ago -

To me - the moral of it
is just this - that if the
pot only boils long enough
the scum will rise on top -
and I am proud to be one
of the common people - one of
the scum - in the eyes of the
typical Toronto blue blood 7017 -
Yours faithfully A. B. M. C. 10/11/17
