June 14 - 33

To Mr. Grey  
Treaty Paymaster

I am writing for the Purchase  
of Ration a number of Indians that  
Trade with me.

"Fowlon & Co" Peple have been distribu-  
ting rations <sup>to</sup> some Indians here  
but they do not feel inclined to  
help Indian's Trading with me.  
I have been helping these people here  
for a number of years.

They do not trap enough to near pay  
their debts now.

The beam of this letter will explain  
how things are run here.

Yours Truly  
T. Metcalf
