

144001/1B.

Ottawa, 8th June, 1905.

Sir,-

In reply to the request of this Department that you might be allowed to occasionally use one of the launches of the Department of Marine and Fisheries, and also that you might be taken on board that Department's steamers when it might take trips down the river, the Deputy Minister of that Department has stated that every facility will be accorded to you, as long as the same does not interfere with the work of his Department. You may, therefore, guide yourself accordingly.

Your obedient servant,

L. J. L.
Secretary.
