Dear John

It seems so strange
for Bill, your myself & Alton
and Alton Grandpa at the head
of the force. Bill is deluged
with the force and all over
rings but unfortunately it is coming
what we cannot get back about.
You is going home Sunday
morning as nothing would
succeed us to take you alone
unless Bill's went to Alton.
He expected to go this last week
but he has had no further word.

to her. Now they are
also alone they are together
yet but may be any minute
the bill is going to be
out and then had been so
much conversation going on
that I am afraid you will
think this is a punch up
letter

Billie tells me to send
his love: I send my love
to Bill and Jennie also
and their love to
them is lots of love
for your father and
I hope your brother &
Jennie will not make
you advise that brother
of life's again
again with lots of
love your loving
Billie
