Attention: Mr. R.H. Moore

Dear Sir: Re: License # 266, I.R. 13

Under special conditions, Paragraph 4,  
this paragraph should have read:

"Wood fuel to be made available to the Indians  
at the mill."

We have no facilities for delivering wood  
fuel, and if we were obliged to hire a truck at  
\$28.00 per day this cost would be prohibitive in this  
small operation of a portable mill. We did not notice  
this condition in the contract at the time of renewal  
and herewith apply to have Paragraph 4 changed to the  
above wording.

Very truly yours,  
STANDARD LOGGING CO.
