1-18-46

(S. Graham),
Superintendent, Air Regulations.

(S. Graham)

1. Reference your letter of July 11th, 1946.
2. Reports of Engines, and Journey and Aircraft Log Books have not yet been received from the King's Printer. When these books have been received they will be distributed to the registered owners of aircraft entitled to them. In the meantime, temporary records should be kept.

District Inspector, Air Regulations,
430 Federal Bldg.,
Vancouver, B.C.
