

CONTENTS.

CHAPTER I.

	PAGE
Introduction	1
General statement	1
Acknowledgments	2
Organization	2
Methods of survey	3
Location and area	3
Routes of travel	4
History	5

CHAPTER II.

Summary and conclusions	10
Physical features of the region	10
Geology	12

CHAPTER III.

General character of the district	15
Topography	15
Climate	19
Agricultural possibilities	21
Fauna	21
Inhabitants, . . .	22

CHAPTER IV.

General geology, . . .	24
General statement	24
Table of formations	25
Tazin series, . .	25
Distribution, . .	25
Thluicho Lake area	25
Thainka Lake area	26
Long Reach area	27
Hill Island Lake area	27
Thekulthili Lake area	28
Kozo Lake area	29
Tsu Lake area	30
Structural relations, .	31
Age and correlation	32
Granites and gneisses	33
Distribution	33
Lithological characters	33
Structural relations	35
Age and correlation	35
