

Canadian Missionary Link

XLV WHITBY, JUNE, 1923 No. 10

EASTERN SOCIETY

APPRECIATION

"The best month so far this year," reports our Treasurer in regard to the April returns.

If it were only possible, by some means, for Circle members and treasurers to "look into the minds" of those who bear the financial anxiety of the monthly estimates, they would realize what a relief it is to have sufficient funds received during the month to cover that month's estimates, and with how much gratitude their splendid April co-operation was received.

If for April—why not for all the months of the year?

May we remind you: Amount required each month is \$547.00. Remittances should be in not later than the 25th day of each month. Further details may be had by referring to the April "Link."

By praying, working, and sending, we can continue each month to rejoice the heart of the Treasurer with

"Many Happy Returns"
