HOW MANY GRAINS IN THE WAVERLEY OAT HEAD?

FAMOUS WAVERLEY WHITE OATS

FROM EUROPE. GIVES ASTONISHING RETURNS GROWN IN CANADA.

WE believe more new varieties of Oats have been placed before the public than any other kind of seed grain. Many heavy croppers have been introduced of late, but on first trial they are rejected on account of thick, coarse hulls or poor, weak straw, if for nothing else. When, therefore, we state that in addition to the Waverley yielding immense crops, it is also thin in the hull and has a clear, bright amber colored straw, which stands upright in almost all kinds of weather, we are sure we have said enough to enlist the attention of farmers everywhere. Our crops have satisfied us that it is wonderfully adapted to both the soil and climate of this country. Waverley is ready to harvest about the same time as other sorts, and is the heaviest weight Oat we have ever seen, while the hull is quite fine and light. The kernels are so unusually sweet, large and meaty as to appear like mammoth rye grains. The most distinctive feature of the NEW WAVERLEY is its producing three grains in a spikelet, whereas most all other varieties produce but two. Of immense storing qualities, WAVERLEY gives great promise of becoming the leading Oat for Canada, and we predict an enormous sale as soon as its merits become known.

PRICES FOR 1902: Pound 30c.; 3 pounds 75c., by mail post-paid; peck 60c.; half-bushel \$1; bushel \$1.60; 5 bushels \$7.50. PRICES by peck, half-bushel, and bushel, do not include express or freight charges nor bags. BAGS—Cotton, each 18c.; Linen, each 10c.

I Will Cure You of Rheumatism

No pay until you know it.

After 2,000 experiments, I have learned how to cure rheumatism. Not to turn bony joints into flesh again; that is impossible. But I can cure the disease always, at any stage, and forever.

I ask for no money. Simply write me a postal and I will send you an order on your nearest druggist for six bottles of Dr. Shoop's Rheumatic Cure, for every druggist keeps it. Use it for a month, and if it does what I claim, pay your druggist \$5.50 for it. If it doesn't, I will pay him myself.

I have no samples. Any medicine that can affect Rheumatism with but a few doses must be drugged to the verge of danger. I take no such drugs. It is folly to use them. You must get the disease out of the blood.

My remedy does that, even in the most difficult, obstinate cases. No matter how impossible this seems to you, I know it and I take the risk. I have cured tens of thousands of cases in this way, and my records show that 39 out of 40 who get those six bottles pay, and pay gladly. I have learned that people in general are honest with a physician who cures them. That is all I ask. If I fail I don't expect a penny from you.

Simply write me a postal card or letter. Let me send you an order for the medicine. Take it for a month, for it won't harm you anyway. If it cures, pay \$5.50. I leave that entirely to you. I will mail you a book that tells how I do it.

Simply state which book you want and name of your dealer, and address: Dr. SHOOP, Box 52 om Racine, Wis.
