On account of advancing years, I am offering at private sale for a short time my entire herd and farm, thoroughly equipped, containing 800 acres, well fenced; about 200 acres under cultivation; 70 acres young oak timber, affording excellent shelter; abundance of hay and water; fair buildings, and plenty feed for the winter.

The herd was established over 30 years ago, and is well known throughout the Northwest; has been handled on common-sense lines, and is noted for constitution, substance and utility.
