JUST ISSUED.
The
Ethics of
Literary Art.
By **MAURICE THOMPSON.**

CAREW LECTURES FOR 1893.
These lectures, by a distinguished poet and
critic, are unusually brilliant and pithy in style.
They discuss with freedom and downright com-
mon sense the current question of the moral in-
fluence of literary works, especially fiction, and
the general relation of literature to Christian
civilization. The excesses of "the realistic
school" are handled with manly vigor, and the
claims of a true Christian idealism strongly up-
held.
A book for every library, private and public;
and a beautiful gift-book.
Elegantly printed on extra heavy paper, bound
in dark blue cloth, gilt top, untrimmed.
Price, \$1.20, Postpaid.
