## Crystallized Comments on ASBESTOSLATE ROOFING

Several thousand readers of one of Canada's leading magazines, "Everywoman's World," recently accepted an editorial invitation to tell candidly what they thought about ASBESTOSLATE—the fireproof and everlasting roofing of Asbestos and Cement. Here are a few of their interesting opinions:

"Asbestoslate Roofing is a great protection in time of fire. My father owns a number of houses and every one has an Asbestoslate Roof."

Mrs. A. S. Lucas, 399 King St. W., Brockville, Ont.

"My husband has used Asbestoslate Roofing and thinks it is alright."

Mrs. Chas. E. Hart, Madoc, Ont.

"I know of several builders who have used Asbestoslate Roofing, and it has proved most satisfactory in every way."

Mrs. J. H. Waddington, Combermere, Ont.

"I understand Asbestoslate is being used for the Dry Dock buildings here. This is a great recommendation, as the Dry Dock is to be one of the largest and best in America, and only the best materials are being used."

Mrs. J. C. Halsey, Prince Rupert, B.C.

"We have used Asbestoslate and like it splendidly."

Mrs. P. F. McCully, James River Sta., N.S.

"Asbestoslate Roofing is on a house we have just moved out of, and we have never known it to leak."

Mrs. E. Mosher, 2 Kingswood Rd., Balmy Beach, Toronto

Such disinterested opinions are certainly worthy of your careful consideration. Write for full information and samples of Asbestoslate to Dept. W.G.

Princess" in the junior female championship.

In Jerseys and Guernseys the two first-class herds of J. Harper and Sons and B. H. Bull and Sons made an exhibit never before equalled in the Saskatchewan capital. Prof. G. E. Day, Guelph, judged these classes, and similar placings to those of other fairs were the order of the day. Bull's "Brampton Stockwell" was champion male, and his "Brampton Oxford Vixen" was female champion. W. J. McComb's herd was the only one entered in the Red Poll classes.

### Sheep

The classes for all breeds of sheep were extremely well filled, and the exhibits were without exception the best that have been seen in Regina. It is interesting to note that the showing of local provincial exhibitors is proof of the fact that more attention is being paid to sheep raising throughout the province, and it is certain that such interest will be very beneficial to the agricultural community at large. A. J. MacKay, Macdonald, Man., placed the awards very satisfactorily. In South-downs, R. McEwen, Byron, Ont., showed against Fred. T. Skinner, Indian Head, and the Eastern flock obtained most of the first prizes and both championships. In Shropshires four flocks were present, namely, those of F. T. Skinner, Indian Head; A. McEwen, Brantford; E. E. Baynton, Big Stick Lake, and W. H. Currie, Govan. A. McEwen obtained both championships and all the first prizes. F. T. Skinner obtained two seconds, four thirds and two fourths, the others sharing the remainder.

In Oxford Downs the prize winning flock of Peter Arkell and Sons, Teeswater, Ont., cleared the boards, while in Leicesters, A. B. Potter, Langbank, also had a clean sweep. In Suffolk Downs the competition was between flocks of McGregor and Bowman, Forrest, Man., and Jas. Bowman, Guelph, Ont. Bowman obtained both championships and firsts in all classes except one, which was the aged Suffolk ewe class.

In Cotswolds, Lincolns or any other long woolled pure breed, McGregor and Bowman competed with S. Dolson and Son, Norval Station, Ont. McGregor and Bowman obtained the male championship, and S. Dolson and Son the female championship.

### Swine

In the pig yards there was a great turnout of the different breeds of hogs. Regina has never seen any better, especially in Durocs, Poland Chinas and Berkshires. Yorkshires put up an excellent quality show, and the bacon classes were good. Prof. Day commented very favorably on them. McGregor and Bowman, Forrest, Man., won all the firsts and championships in the male classes, except on boar under six months, which went to H. Currie, Ingleton, Alta.

W. J. Mortson, Fairlight, Sask., won the class for aged sows, and S. Dolson, Norval Station, Ont., took all other firsts in the female classes.

Chas. Weaver, Deloraine, Man., won the red on four pigs, six months, product of one sow.

Currie got four under six by one boar, and Dolson won all the other groups.

In Tamworths, W. H. Mortson, Fairlight, Sask., pretty well cleared up everything, and F. H. Weineke, Stony Mountain, Man., was the sweeper of the Poland Chinas.

Ottawa, Ont., Aug. 7.—Acting as purchasing agents of the British government, the Canadian government today made a large purchase of oats for the British military forces. Three days ago a cable was received asking that 700,000 bushels of oats and 10,000 tons of hay be purchased for shipment to Britain or Belgium.

The Grain Commission was asked to report on the oats in store at Fort William and Port Arthur, and experienced grain men, Lionel Clark, James Carruthers and Harry Richardson, were asked to fix the price. They decided on 47½ cents per bushel, and 700,000 bushels, or two cargoes, have been purchased, and are being shipped to Montreal, where transports are read to receive these cargoes. Owing to the scarcity of hay, this purchase has not yet been completed, but will be in a few days.
