

Mr. and Mrs. Home-builder

Are you among those who have planted trees that failed to grow? If so, have you not concluded that trees imported from the warmer climes of the East or of the States, or from the lower altitudes of Manitoba could not be grown successfully in Saskatchewan or Alberta? To you, our Planter's Guide will be a source of encouragement as well as a store-house of valuable horticultural information. It brings to you conclusive proof that you can have a grove to give cooling shade on hot summer days and to protect your home from the blizzards and snow drifts of winter; that you can have luscious strawberries, raspberries, plums, crab apples and other fruits from your own orchard; and that, aside from these results, a small initial investment will bring huge returns in the increased value of your property. Our Planter's Guide contains the results of our years of experience in the growing of nursery stock in Saskatchewan. Only the varieties that have proved the test of time are listed. I challenge any authority on Horticulture to select one single variety described in our Planter's Guide that can not be successfully grown in Western Canada.

Specialization is the key-note of modern business success. It is because we are tree specialists that the Prairie Nurseries Limited ranks first among the Nurseries of Western Canada. We concentrate on out-door-grown Nursery stock. On the 400 acres we own and additional land we lease, we grow millions of hardy trees and shrubs for the Canadian prairies. If you question the success of tree culture in Saskatchewan, accept our hearty invitation to visit our nurseries at Estevan. Upon seeing the clean, healthy trees growing upon the wind-swept plains of a district 1,900 feet above sea level, you will have visions of a Western Canada of the future, dotted with countless groves and orchards. In the beautification of the prairie our GUARANTEED TREES and our UNRIVALLED SERVICE will be most important factors. Our thousands of satisfied customers furnish proof positive of our good service. The ideas of "Quality plus Service" which have governed our dealings of the past will control our policies of the future.

Yours for better homes,

THEODORE A. TORGESON,
Managing Director.

board. The greater part of the morning was taken up in judging livestock. Upon their arrival at the fair grounds they were met by Mr. Fisher, the manager of the Saskatoon Exhibition Board, and welcomed, and it was no half-hearted welcome they were given. J. O. Hettie, the vice-president of the board, and also chairman of the Saskatchewan Farm Loans Board, made a short address complimenting them on their start in the propagation of registered seed and welcoming them to the fair as guests of the exhibition board.

"Arnison Wins \$50 Prize

After Mr. Hettie's address the boys proceeded with the judging of beef and dairy cattle and draft horses. A. P. Arnison, a 14-year-old boy from Moritz, won the \$50 Victory Bond donated by J. F. Cairns for the boy 18 years of age or under making the highest average in judging draft horses, beef and dairy cattle. After the judging was over the 62 young farmers set out to enjoy the fair. In the afternoon they occupied a central section of the grandstand that had been reserved for them. They marched into the grandstand in a body accompanied by Manager Fisher. Many boys reach the estate of manhood without having had the opportunity of witnessing an entertainment of the class offered in front of the grandstand at the Saskatoon Fair. The boys got warm and Mr. Fisher purchased ice cream cones for the whole bunch. It was a day of entertainment, of ice cream, pea-

nuts and pink lemonade. The boys left the grounds at nine o'clock, returned to the University, had a swim, and then slept the sleep of the honestly tired and happy. And then, in small groups, the boys were taken to their respective trains and returned home. The camp was ended but not forgotten. Leonard Bashforth said, "I could not have enjoyed the trip more than I did." Glen Gambee said, "It is almost impossible for me to say what I enjoyed most, for I enjoyed it all, but I think the lectures by the different professors, especially those on grain and stock were the best." R. W. Jackson said, "It was my first time away from home and I am sure I did not have a dull moment." Almost without exception these boys, who had, in qualifying for this trip, begun their training in that inexorable school of experience that tests and develops men of action, and molds character, before they left came to the leaders with many expressions of gratitude.

The following boys were in attendance:

Reginald Frith, W. H. St. Martin, Emil Loran, Herman Applegren, Robt. Carr, Thos. Thompson, Calvin Cochran, Leslie Miller, Wm. Bagnshaw, Roy Brown, Merrill Dodd, Melville Allan, Boucher Scull, Orval Moore, Sydney Hendrickson, Nick Cherwonis, Cecil Armstrong, Harold Lawson, Glen Gambee, Melville Swain, F. V. Humphrey, D. TO BOYS AND GIRLS

Can You Solve This Great War Puzzle?

This Lovely Pony or \$100.00 Cash

WHO WANTS ME?

Four Things That Will Win The War

WHAT ARE THEY?

THE 16 Circles above can be made to spell out the names of the four chief things that are going to win the war. Our bright young Canadian boys and girls can help provide at least one of these things. Every boy and girl should know all of them. Can you tell what words the four magic circles represent?

How to solve it.—Each circle represents a letter of the word called for. The number of dots in the circle represents the position of that letter in the alphabet. For instance: "A" would be represented by a circle with one dot because it is the first letter of the alphabet. "B" would be represented by a circle with two dots because it is the second letter. "C" would be represented by three dots, "D" by four dots and so on. You must correctly count the dots in each circle, figure out the letter represented by its position in the alphabet and when you have them all figured out put them into proper rotation to spell the name wanted. It's not an easy puzzle but if you can solve it correctly you may win this lovely shetland pony or one of the grand Cash prizes above.
