

A MEDICINE FOR SPRING

Do Not Dose With Purgatives—
A Tonic is All People Need.

Not exactly sick—but not feeling quite well. That's the way most people feel in the Spring. Easily tired, appetite variable, sometimes headaches and a feeling of depression. Perhaps pimples or eruptions appear, or there may be twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order; that the in-door life of winter has left its mark upon you and may easily develop into more serious trouble. Don't dose yourself as many people foolishly do with purgatives in the hope that you can put your blood right. Purgatives gallop through the system and weaken instead of giving strength. What you need in spring is a tonic medicine that will make new, rich blood, build up the weakened nerves, and thus give you new health and strength. Dr. Williams' Pink Pills is the one medicine that can do this speedily, safely and surely. Every dose of this medicine makes new, rich, red blood, strengthens the appetite, clears the skin, and makes tired depressed men and women, bright, active and strong. Mr. Harry Huggins, Oshawa, Ont., says—"I don't think there is anything equal to Dr. Williams' Pink Pills as a cure for nervousness, indigestion and a run down condition of the blood. For some time I was a great sufferer from these troubles. I tried several remedies, but nothing helped me until I began taking Dr. Williams' Pink Pills. Before taking them I felt like an old man, but by the time I had taken four boxes my strength had returned, my appetite improved, my nerves were steady and I was feeling a renewed man."

If you need a medicine this spring—and most people do—try Dr. Williams' Pink Pills and see how speedily they will make you feel like a new person. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

IN THE SAME BOAT.

"We get some sad cases," said the attendant at the lunatic asylum to the interested visitor, and opened the door of the first cell.

Inside was a man sitting on a three-legged stool, gazing vacantly at the wall.

"This is an unhappy story," said the attendant. "He was in love with a girl, but she married another man, and he lost his reason from grief."

They stole out softly, closing the door behind them, and proceeded to the next inmate.

This cell was thickly padded, and the man within was stark, staring mad. "Who is this?" inquired the visitor. "This?" repeated the attendant. "This is the other man."

REPARTEE.

"Tim" Healey, the Irish member of parliament, is quick at repartee. A voter once informed him that he would "sooner vote for the devil than for Healey." "But possibly your friend may not turn up," said "Tim," adding in a tone of mild enquiry, "Perhaps you would support me then?"

He—"How can I repay you for that delightful wait?" She (whose train has suffered)—"Oh, don't repay me, settle with my dressmaker!"

Weak and Sickly People envy those in robust health. No need to stay sick when by the use of the best tonic, "Ferrovin," you can get rich blood and renewed strength and vigor.

ON BUSINESS BENT.

Mother—"Tommy, what are you doing in the pantry?"

Tommy—"Oh, just putting a few things away!"

Mother Graves' Worm Exterminator has no equal for destroying worms in children and adults. See that you get the genuine when purchasing.

NO DANGER.

"I shall expect you not to wear my clothes," said the lady of the house. "You needn't worry on that point, madam," retorted the new maid. "I wouldn't even patronize your dressmaker."

PERSONAL POINTERS.

Interesting Gossip About Some Prominent People.

Many stories are told concerning the dry wit and humor of the Hon. Joseph Cannon, Speaker of the Washington Congress. Mr. Cannon's salary as a Congressman amounts to \$417 per month, and on his election to the Speakership he decided to go to a better hotel than he had formerly lived in. He accordingly was conducted by the clerk of one of the more fashionable establishments to such a small suite of rooms as his actual needs required. "How much is it?" asked the Speaker. "We would let you have it for four hundred dollars a month." As the Speaker hesitated, fingering his cigar in a nervous way, the solicitous clerk inquired, "That is not too much, is it, Mr. Speaker?" "Oh, no, not at all," responded Mr. Cannon, gravely. "I was merely puzzling my brain to think what I could do with my other seventeen dollars."

When he started ranching in his early days President Roosevelt was looked down upon with some contempt by his hired cowboys, owing to the fact that he was a college graduate and also wore glasses. One bullying fellow, named "Long Ike," used to be fond of entering drinking bars and taking up the glass of any man he thought he could frighten. He played this trick on Roosevelt, and was so certain that he was a typical "lenderfoot" that he did not even make his customary bluff first with the revolver. Before "Long Ike" quite knew what had happened he found himself on the floor; then he was picked up, rushed out of the saloon, and flung down again on the ground outside. He was unable to get up for five minutes; and then he quietly sneaked out of the camp.

A rather conceited young barrister was once introduced to the late Lord Brampton when he was Sir Henry Hawkins, and throughout his conversation the then briefless one boasted of what he hoped to do in the future. "Ah," said Sir Henry at last, "so you hope to be famous one day, eh?" "Yes," replied the barrister; "one day I hope to have the world at my feet." "Why, what have you been doing all this time?" inquired Sir Henry. "Walking on your hands?"

AGONIZING PILES.

Cured by Zam-Buk.

Mr. F. Astridge, of 3 St. Paul Street, St. Catharines, Ont., says: "For five years I suffered untold agony with protruding piles. The pain was so great at times I would almost scream. I went down in weight and had no appetite. I tried everything I heard of for piles, but got no relief. I went to several doctors, but they would give me little hope of ever getting rid of them and I finally gave up in despair. One day a friend gave me a sample of Zam-Buk salve and told me of someone who had been cured. I decided to try it, and the relief I got was encouraging. I bought a box, and the piles kept on diminishing. I used three boxes and am now completely cured. One thousand dollars would be none too small an amount to give for such a cure as mine. I wish I could convince every sufferer of the value of Zam-Buk."

Zam-Buk cures cuts, burns, chapped hands, cold sores, itch, ulcers, eczema, running sores, catarrh, piles, bad legs, abscesses, face sores, spring eruptions, and all skin diseases. Of all druggists and stores, 50c., or from Zam-Buk Co., Toronto.

A GRAVE AFFAIR.

"Father," said the lawyer's pretty daughter, "I just won't listen when old Judge Prosy makes love to me."

"My dear child, don't refuse," cried her horrified father; "that's contempt of court."

ITCH, Mange, Pruritic Scratches and every form of contagious itch on human or animal cured in 30 minutes by Wolford's Sanitary Lotion. It never fails. Sold by all druggists.

"The most extraordinary thing about him is that he always attaches importance to the most insignificant things." "Yes, that is plain to be seen. If it were not so, how else could he have such an opinion of himself?"

Thos. Sabin of Eglington, says: "I have removed ten corns from my feet with Holloway's Corn Cure." Reader, go thou and do likewise.

THE GREAT TROUBLE.

Of course, the world may owe a living to us, though when fate's unkind, we're apt to find Collections mighty slow.

"Does your wife take any interest in current politics?" asked the earnest woman. "No," replied Mr. Farmon, "she doesn't. But if it's currant jelly or currant roly-poly, why, I believe she could tell you more things about 'em than you ever dreamt of."

Do You Hear Well?

We Agree to Make You Hear Ordinary Conversation Providing You Can Still Hear Thunder.

Electrophone in use.

We wish you to see a new electrically sensitised hearing device called the Electrophone, that instantly causes even the deafest people to hear clearly. The very best result we can promise you as a reward for using the Electrophone is the complete, lasting restoration of your hearing. Next to that in importance is the certainty that the moment you apply this marvellous little instrument you will be able to hear clearly and distinctly either in public or in private. This scientific electrical sound-conducting instrument fits snugly over the ear, as shown in cut, and is so small that it usually escapes observation. Its purpose is to magnify sound waves and throw them directly on the ear-drum in a manner according to nature. The result is your deaf ear is exercised just as well ears are, and after a while most people find their hearing has become as good as ever. Meanwhile, however, with the Electrophone attached you can hear even the faintest sound without strain, effort or embarrassment, and your pleasure is vastly increased by the assurance that no harm is being done, as in the case with artificial ear-drums, trumpets, etc., that poison and ruin the ears of all who use them. Come and test the Electrophone free. We agree to make you hear. You will receive courteous attention and not be urged to purchase. We would advise, however, that when you have tried an Electrophone exactly suited to your degree of deafness, you pay a deposit on it and try it at home. Those who cannot call should write for our free illustrated booklet and list of satisfied users of the Electrophone.

Sent on Trial Anywhere in Canada.
Remember the Electrophone will open up a new world to you, perhaps you are only looking for temporary relief, but you will find that it will do much more, the Electrophone gradually restores the natural hearing. We satisfy 99 per cent. of our patrons, because we sell all instruments subject to one full month's trial.
