It is generally believed that the marriage of Prince George of Battenberg and Countess Nada Torby will take place some time next month, but no official announcement of date has yet been made. All the Royalties in England at the time are expected to be present at the wedding.

A pretty story of Queen Mary is going the rounds just now. Then taking a diamond ring from her finger she wrote on the window pane, "Happiness always."

The Ladies' Guild of St. Paul's Church, Holmdale, gave an enjoyable musical programme, on Thursday evening. Quite the feature of the evening was the piano duet "Zampa" rendered by Miss Standing and Mr. Brown, two talented pupils of Mr. A. T. Briggs. The score was played "The Post and Peasant," both numbers being greatly enjoyed. After the programme, dainty refreshments were served by members of the Ladies' Guild.

Details have reached Toronto from England of a marriage, already announced, of Ione Hunter Heintzman, daughter of Mr. and Mrs. G. C. Heintzman, well known in Brantford, and Goodwin Gibson, son of Mr. and Mrs. Goodwin Gibson, one of the officers now at Witley Camp and aide to Col. Verton Eton of the 3rd Artillery Division. The ceremony took place in St. Vivian's Presbyterian church, Golden's Green, London, the groom's uncle, Dr. John Monro Gibson, officiating. Mr. George Hope, cousin of the bridegroom, gave away the bride who wore black tulle with facings of pink satin and her black tulle hat was trimmed with roses. Miss Christian Hope, the youthful bridemaid, was in a lingerie frock, trimmed with sweet peas. Mr. Monro Gibson, 3rd Canadian Pioneer, on leave from France for the ceremony, was groomsmen. Mr. Gibson took his bride back to Millford, a strong force of mounted rifles meeting them at the station with an old English stage coach drawn by six black horses, the riders being six lieutenants from the 8th Brigade, and trumpeters sounded a welcome. Then they were received by Col. and Mrs. Eaton, and they about 100 guests sat down to a wedding breakfast in the officers' mess.

A very pretty compliment was recently paid to Lady Irene Curzon by her father, Lord Curzon, who says he owes very much to her companionship. Lady Irene has all her late mother's sympathy and charm of manner, and is very brilliant. Lady Curzon's third daughter resembles most in appearance Mary Leiter, an American, and one of the most beautiful women of her day.

The conferring of the legion of Honor decoration on Mrs. Edith Wharton, who has been conspicuously active in extending aid to French women since the start of the war, is in line with the policy to bestow the honor only on those women notable for works of charity and beneficence. Among other women whose activities along these lines were similarly recognized were Sister Candide, who founded homes for consumptive children, and Mlle. Bottard, formerly of Saltpeitrière, the great Paris hospital for aged and insane women. There have been many departures from the rule, however. Three queens have received the ribbon of the Legion of Honor, which has also been given to Rose Bonheur, Mlle. Dodier, postmistress at Pithiviers during the Franco-Prussian war, who performed acts of heroism, and Mme. Dieulafay and Mme. Massien, explorers. Among American women so honored are Mrs. Potter Palmer, who was the only woman member of the American commission of the Paris exposition of 1900, and Cecile de Wentworth, the artist.

Victory is certainly with the Allies in the big bazaar now going on in New York. The million dollars originally hoped for has been reached and a further half million is already in sight. Sir Cecil Spring-Rice, the British Ambassador, and Lady Spring-Rice, were present on Wednesday with a party and received special attention at the British booths. Fifteen thousand dollars clear was added to Thursday's receipts when Mrs. Robert Bacon of the American Ambulance booth announced that she had sold for that sum the emerald and diamond ring which was presented to the bazaar through her by a woman who said she had no money but she would give what she had for the suffering soldiers. The ring, which was of great beauty, two pear-shaped stones, a emerald and a diamond of fine quality, with small diamonds in the setting, was bought by a business man, whose name Bacon refused to give. He bought the ring without having seen it and forwarded his cheque for the figure named by Mrs. Bacon.

Mrs. Able Says:

PEOPLE ask me why my tea tastes so good. First, I use freshly drawn water. When boiling briskly I pour it over the leaves, allowing the tea to steep, not boil, five minutes. Next, I pour the tea off the leaves into another pot. In that way you get the flavor of Red Rose Tea in all its fullness and richness. Try it. In sealed packages only.

From Our Own Correspondent)
Paris, June 17.—A case was decided in the police court yesterday morning that would be well for farmers to take note of. It was charged that on Sunday, June 4th, a farmer by the name of C. W. Lee, who resides on the old Ferries Farm, shot a valuable hound that had wandered off the road while out with its owner, Charles Shaughnessy. A companion named Charles Wooden, was with the owner of the dog, and they both heard a shot fired, and later saw Lee coming out of the swamp carrying a gun. They asked permission to enter the swamp that they might look for the dog. This request Lee was said to have refused. The men later entered the swamp near the farm, and found the hound dead. Yesterday, Lee swore that he had not been off in question. This both Shaughnessy and Wooden denied and swore they saw him go towards his home carrying a gun. Several witnesses swore as to the quiet behaviour of the dog, and also to its value in hunting. Lee was assessed \$40, \$5 and costs of court, as also witness fees. Mr. Brantford, 15th battalion, appeared at the meeting held yesterday afternoon at the residence of Mrs. J. K. Inkster, Riverview Terrace.

REAL ESTATE TRANSFERS
Business in town seems to be booming. Among the sales of real estate are reported the Fawkes residence at 15th St., sold to Mr. Charles Meggs; a 9-roomed house on River St., belonging to the Key estate, sold to Mr. James McBride; a building lot on Warwick St., purchased by Mr. James Bell and Ridley, and the former purposes building right away.

CASUALTIES.
Word was received in town yesterday by Mr. C. B. Robinson that his son, Albert, in the Princess Patricia's, was reported missing. The papers in the casualty list also contain the names of James Henkelwood, as being killed. He was formerly of Paris. The number borne by Percy James of Paris, opposite which was another name, was also reported killed. Mr. J. H. Fisher at once telegraphed the militia department at Ottawa to cable and ascertain full particulars as to whether a mistake in name had been made. This morning's papers contain the names of two young men known to many in Paris, and whose father, Mr. John Patton, was educated in the Paris high school, and was at one time in business here. His oldest son, Norman, was reported killed and the second son, Corporal Harold Patton, well known in Y. M. C. A. circles, had been seriously wounded in the trenches.

GARDEN PARTY
Last evening the 15th Battalion held a very successful garden party on the Agricultural Show Grounds. Good music was furnished by the 12th Band of Brantford, which was much enjoyed by all present. It is estimated that over 1000 people were in attendance. The services in the Baptist Church on Sunday will be conducted by Rev. Wm. Morrow of Bracebridge. Mr. Morrow is an old Paris boy, who graduated from the Paris High School. The Daughters of the Empire have

CASES DISPOSED
OF AT SESSIONS
IN SIMCOE

Man Charged With Bigamy
and Perjury Sent
Down.

GETTING THROUGH
TO PORT DOVER

L. E. & N. Hope to Reach
Lake Erie by July
First.

Simcoe, June 16.—The legal fraternity are resting this evening after a heavy week. The sessions closed with a night session to-day.

Before adjournment, at noon, Leslie McDonald was called on the perjury charge and pleaded guilty to perjury in connection with the securing of his marriage license. At two o'clock he was given sentence, one year on each count, the two to run concurrently. The young bigamist was given a kindly but severe reprimand. His Honor commented on the plea of his mother and his wife, that they desired he be given an opportunity to enlist again, and his solicitor made all possible use of the same plea. He thought, however, that the record of the accused in deserting and committing the offenses of which he had been found guilty would indicate that service of his country was not his chief aim. Under the circumstances he deserved a severe penalty, but His Honor hesitated to send so

young a man for a long term to penitentiary among hardened criminals where his whole future might be blighted. In view of the fact that he had already spent four months in confinement, he was given one year in the provincial reformatory. His young wife was present, as was also the young Brantford girl who stood by him in the second ceremony. He left the court with glittering C.E.F. I.N.F. and 133 on his shoulder, and large brass buttons down the front of his tunic. Though dismissed from the 133rd summarily before news of his misdeed came out, he managed to keep the fact so secret that even Gaoler Robinson did not know till yesterday that he had no connection with the 133rd.

NEARLY ALL ASKED FOR.
Chas. Culver got \$115 and costs from the G. T. R. for a horse killed on the railway, for which he asked \$150.

The sessions closed with an after-noon sitting to-night. Leo H. Rodgers, a 15-year-old boy, is finding that it does not pay to take the recruiting hint thrown out last winter, that "a man has two ages, his actual age and his enlisting age." He enlisted in the 133rd as 18 years of age, and being a big fellow, got past. His parents lodged an objection, and at the instance of the military authorities the young fellow was to face a charge of perjury. He was to have a hearing to-day, but his solicitor was busy at the Sessions, and will appear on Tuesday instead.

BOARD OF EDUCATION.
The Board of Education spent a three hour session over draft plans for the new schools. The building committee will visit Toronto before the plans are passed upon. Tenders will not likely be called for till about July 5th at the earliest, at the rate masons are moving. Work on the concrete roadway is held up because a car of broken stone has been delayed in transit. A few days ago a car load of joists got lost in transit on the same road, and the workmen were off work, and take two cases disposed.

COUNCIL MEETING.
At a special meeting of the council this evening the town engineer was instructed to prepare plans for sewer

extensions, some of which had been petitioned for, and the clerk was instructed to submit the same to the Provincial Health Department for endorsement.

TRAFFIC RULES.

The Council has decided to enforce the rule of the road so far as street traffic is concerned, and will request the local papers to assist in securing an observance of the keep-to-the-right rule. In future horse vehicles or motor car owners will be required to have their conveyances facing the proper way when standing. Many near accidents have prompted the action. Mayor Williamson expressed his desire to get the Market Square cleaned up before leaving the chair. Alderman Misner said he wanted some shelter for the town's street machinery now left standing out all the year.

THROUGH TO DOVER.

The L. E. and N. cable poles are erected to within two miles of Dover. Arrangements are being completed to-day for the use of the G. T. R. depot at Dover as a temporary terminal, till the government's plans for harbor development at Dover are in evidence. The management expect to have passenger traffic open to Dover for the big celebration there, on July 1st.

The local L. E. and N. depot, is already quite evidently too small for the traffic. The management expect to be compelled to enlarge in the near future.

THE BOUGHNER PICNIC.

The Boughner picnic committee are already beginning to form plans for this annual August function which has been in vogue for over quarter of a century. Simcoe, Waterford and Dover are mentioned as possible places for this year's meet.

John Jackson, of Teeterville, is building a concrete block auto repair shop and garage, dimension 30x40 ft. Anson Shaw, to-day accepted the offer of the Board of Education for the property in the North Ward school site. The arbitrators, Geo. Doherty, E. G. Guntton and A. A. Culver, were about to begin formalities when the shadow of possible costs, and some persuasion from Mr. Doherty brought Anson to his senses, with the result recorded. Mr. Harry Brooks took his seat at the Board of Education rooms for the first time this evening. All the members except T. Agar were present and at the council board only the chairs of Major Innes and George McKee were vacant. Both these men have excessive demands upon their time in public service.

The projected \$250,000,000 auto merger, taking in the Willys-Overland, the Hudson, the Chalmers and the Auto-Lite companies, has been abandoned. Of the 20,000,000 children now attending the Public schools of the U. S. at least 15,000,000 of them are at bad health, says S. A. Knopf, famous tuberculosis authority of New York.
