Vill pass with little accomplished by at that will look toward a permanent preached by at that will look toward a permanent over you would think that all involved in this struggle were equally to blame. We can not see it that way. The only good as far as I can see that will come from the Pope's proposal, is that it gives the allies another opportunity to lay down the 10 conditions upon which they are ready to make peace, and it gives our enemies another affirmation of the fact that upon no other conditions can peace be considered or made.

We are in this war because we could not honorably keep out of it.

Good Book, and as it is with the individual, so will it be with the nation. Time is fighting with us for victory and against the Central Powers. Wellington took out his watch at Waterloo and cried "Come Blucher or night." He was then fighting against time. The opposite of this is our situation to-day. We fight with time against our enemies. Every day our prospect of victory brightens, while their's darkens. France has one million more men in battle than she had three years WEST LAND REGULATIONS

The sole head of a family, or any male over 18 years old, who was at the commencement of the present war, and has since continued to be a British subject or a subject of an allied or neutral country, may homestead a quarter-section of available Dominion Land in Manitoba, Saskatchewan or Alberta. Applicant must appear in person at Dominion Lands Agency or Sub-Agency for District. Eatry by proxy may be made on certain conditions. Duties—Six months residence upon and cultivation of land in each of three years.

Captain Boddy, in a few well chosen words, expressed the appreciation of the association for the service, to the pastor and the officials of the church. He explained the nurnose of the organization and the purpose of the organization and expressed their desire to come again and worship with the First Baptist Church in their evening
