WANTED—A good smart boy to help make ice cream at Station Restaurant. Apply to JAS. ROONEY, s.w.t.f.

Mr. B. W. Roscoe, barrister, of Bridgetown, spent the week-end at his home in town.

Miss Jessie Campbell returned home last week after spending the winter most enjoyably, snowing her brother in Pictou, and the seeds and friends in Sydney as steadily.

There were quite a few white frosts several nights last week. The cool weather is keeping back the fruit blossoms, though the cherry and plum trees are mostly in full bloom.

Rev. Mr. Fletcher, head secretary for Foreign Missions, visited in town last week, guest at the Baptist Parsonage. He left Saturday for Berwick, and on Sunday occupied the pulpit of the Baptist church at that place.

The many friends of Mrs. C. B. Lamont regret to hear she is very ill at her home by the brook. Her ever faithful daughter, Miss Alice A. Lamont is at her bed side ministering to her. Dr. W. B. Moore is in attendance.

The Misses Minna and Evelyn Taylor entertained their friends, Miss Payne from Halifax, to a small dance last Friday evening. Professor Phelan presided at the piano. During the evening vocal selections were rendered by Miss E. Taylor and Mr. Phinney.

A SPELLING MATCH between Kentville and Berwick young Ladies and ENTERTAINMENT consisting of reading and Vocal and Victrola Music will be held in the vestry of the Kentville Baptist Church Friday evening, May 24th, for foreign missions.

Dr. James F. Brady, of Boston, has been at his former home in Canning visiting relatives during the past week. He returns this week and his mother, Mrs. William Brady, accompanies him to visit her relatives there. Her youngest son Cecil, graduates this month from Tuft's Medical College, Boston.

WANTED—A competent woman to take charge of cook house, and husband to work in brick yard good wages. Apply at once to H. G. HARRIS, Kentville.

Messrs David and Albert Franey, returned last week from a trip west as far as Edmonton. They were quite pleased with the country traversed and visited many places en route. Edmonton seemed to them to be one of the most prosperous western cities.

The death took place at Aldershot, Kentville, on Wed. Apr 30th, of Rebecca, wife of Mr. Whitney West, aged 64 years, burial the following Saturday. She was a daughter of Mr. Haggarty, of Black Rock, and leaves a husband and a son and daughter, also two brothers residing near Halls Harbor and one sister. Mr. and Mrs. West lived many years at Centreville, but during the last 8 years resided near Aldershot.

Once again the readers of the Advertiser are asked to help in a great work by saving the wrappers of Surprise Soap and sending them in to the W. C. T. U. By an arrangement with the manufacturers money is received for coupons cut from surprise soap wrappers, and this goes to pay the salary of a lady who spends her time in the Union Depot, Toronto, aiding young girls who pass through alone, often without money or friends.

This work is done in connection with the Francis B. Willard Hall which is the only home where the work is strictly preventative, where girls over 16, and not convicted of crime can find a temporary home and safe shelter free of charge until situation is procured.

Mrs. J. R. Neville will gladly receive all coupons before May 24th, make an effort and send them at once.

## K. C. A. Defeats Bankers at Baseball

Fridays evening's ball game resulted in a signal victory for the Academy, the Bankers' Limited not being able to solve the mystery of Swanson's tantalizing delivery. McFadden on the other hand was batted freely. Harris was the hero of the "Capitalists," scoring two runs. Swanson pulled off a neat pitching stunt in the last inning, when three consecutive Bankers made drafts (i. e.—fanned the air) payable at sight to the catcher, except for 1 CHECK, a foul, which landed in the reporter's box. W. Smith was the accountant for the Bankers, J. Franey for the Academy, both reporting the official score, 12—3 with an unplayed inning in favor of the Academy. Hugh Moore umpired satisfactorily.

Judging from the number of enthusiastic fans present the interest in the pennant-winning race is greatly increasing. Com.
