Quality not Price

is the first consideration with us when we buy goods, and in your Purchasing, remember low prices in most cases, means inferior goods, and disappointments. Nobody does business on the give-away plan these days and if you get one or two articles at a snap you are caught on something else to make up. We guarantee each and every article to be as we represent it, and if not satisfactory your money will be refunded as cheerfully as we took it from you. Come in and examine our large stock of choice GROCERIES, including best quality of Canned Goods, Dried Fruits, Preserved Fruits, in glass and tins, Jam, Marmalade, Sauces, Pickles, Relishes, FRUIT and CONFECTIONERY, FLOUR and FEED, Molasses, etc.
