OUR TEACHERS

Wanted by the Orange River Authorities.

mfontein, Jan. 10.-The Bloom fontein Post publishes a long and important article, surveying the pronge River Colony during the past year. Education has progressed by leaps and bounds, and a larger number of children are now being educated than at any period under the late Government, the last figures showing a total of 15,466 scholars, compared with 8,000, the highest record under the Orange Free State Republic. Opera Said Pasha Repeated Last Night to Another Crowded House.

Itial Efforts-Mr. Carter Re-

Sejah was very pleasing to the large audience.
R Victor Carter deserves very much credit, for the putting on of rhis opera, as it has occupied almost his whole attention for the past two months.
Before the curtain rose on the last act, Mr. Carter took occasion to thank the citizens of Chatham, for the hearty manner in which they had shown their appreciation of the efforts of the young singers who put on the opera by greeting them both times with crowded houses. He also thanked the press for their kindly reception in the newspapers, and also the members of his cast and chorus for their help in putting on the opera.

Government will lend the money to the settlers at a favorable rate of interest for the purpose of stocking the farins and making improvements. The settler is exempt from rent, except a quit rent, for the first year's occupation.

GOD'S CHARIOT

Mexico, Mo., Jan. 9 .- Carrie Natio was in this city last night, and freely showed a copy of a letter which she had written to President Roosevelt ,in which she charged him with showing more consideration to a horse than to his fellow man. Here is an extract "Can you refuse to buy a horse because his tail was cruely cut off and not have a word of help for the thousands who are having and have had their food, clothes, health, love, and Heaven cut off through the infamous liquor traffic? Consistency, thou art a jewel which few possess." After reading the above extract from her letter to the President, Mrs. Nation said:—"I have spent four or five months in jail, and expect to spend more time there, for when the Lord tells me to smash, I smash, I am in God's chariot. It came along one day, and I jumped in. He holds the reins, and I cannot stop it if I would. I claim there are no legal salcons in the United States. There cannot be, for you cannot legalize
