

The Port Williams Acadian

PORT WILLIAMS AND VICINITY

The "Lily of the Valley" Division of the S. of T. paid a fraternal visit to the Avonport Division on Thursday evening, April 23rd. All reported having a very pleasant and profitable evening.

Mr. Frank Lloyd accompanied by his sister, Mrs. Thurbin, of Lockport, arrived home on Saturday, April 25th. They intend returning this week. Mr. Lloyd will return later for his wife and children as they intend spending the summer in Lockport.

The Baptist parsonage is undergoing repairs, having new windows put in and various other work being done.

Mr. G. A. Dodge has had a new garage built, another addition to the value of his property.

The little steamboat "Ruby L." arrived in port on Wednesday with a miscellaneous cargo and re-loaded with barrels for St. John, going out with the tide on Thursday morning.

Mr. M. K. Ellis had the misfortune to lose a very valuable Holstein cow last week.

Mrs. D. S. Collins was hostess on Friday evening, entertaining a number of friends from Wolfville and vicinity in honor of Mrs. Chas. Collins, it being the latter's birthday.

Mrs. Paul Mosher, of Dartmouth, is visiting her parents, Mr. and Mrs. Bedford Chase.

Mr. and Mrs. Wm. Sutton, Sr., arrived from Boston on Friday and are occupying Mr. Wm. Jacques tenement house (Church Street), lately vacated by Mr. Fred Morine. Mr. and Mrs. Sutton will remain during the summer at least.

On Saturday evening at the rectory in Wolfville the marriage was solemnized between Mr. Robert Koddy and Miss Gladys Marie Avery, both of Church Street. The Rev. Mr. Dixon performed the ceremony. The bride wore a very pretty lace gown with conventional veil and flowers. Both bride and groom were unattended. The Port Williams Acadian extends congratulations.

Mr. John MacDugald, of Pictou, is spending some time with Mr. Robert Chase, Church Street, helping with the very important parts of the farm work, as spraying, etc. Mr. MacDugald is a friend of Mr. Chase's, whom he met at Pictou Academy, and is very competent at this work.

The community of Port Williams was saddened last evening to hear of the passing away of one of its residents, Mrs. Donald Chase (nee Miss Marguerite Bancroft). The death occurred at Westwood Hospital, where Mrs. Chase had been for the past week, and although she was critically ill, strong hopes were held for her recovery. She leaves an infant daughter but a few days old. The deepest sympathy is felt for her husband and relatives. The funeral will be held from the house on Friday at 2 p.m. Interment at Willow Bank cemetery.

On Sunday evening, May 3rd, at the United Baptist church, Port Williams, the ordinance of baptism will take place at the close of the service, which will be conducted as usual by the pastor, Rev. O. N. Chipman.

BARON BYNG FOR SECOND TERM

Reported That Governor General will be Invited to Remain in Canada

OTTAWA, April 26.—It is understood on good authority that Baron Byng will be invited to serve a second term as Governor-General of Canada.

His five-year term as the King's representative in the Dominion expires in July, 1926, and it now appears very possible he will remain for a further term. There has been much speculation as to who will succeed Lord Byng. Whether or not he will succeed himself now seems to be a matter for his own choice.

FIRE AT PORT WILLIAMS

Fire which was supposed to have originated with an automobile destroyed the garage and barn of Mr. Justin Gates, at Port Williams, on Monday morning. Mrs. Gates had been out with her car and returned it to the garage shortly before the alarm was given at which time there was no sign of any fire in the building. Wolfville was called upon for assistance and the firemen and engine quickly responding were able to save the house and prevent what naturally might have been a conflagration of some proportions as there are a number of other residences in close proximity.

The fire spread to the house which was considerably damaged by fire and water. The barn with its contents, including the car, was completely destroyed. The house was erected nearly forty years ago by Silas Fader, then a resident of Port Williams, and is a large and commodious one, the burning of which would have made a big blaze.

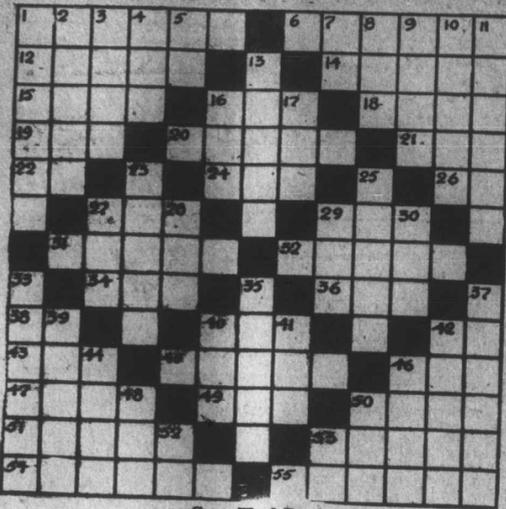

THE ORIGINALS IN "STEPPING OUT"

Noteworthy items in the Originals revue "Stepping Out", which includes many of the Original Dumbell favorites, are the singing, "Love will Come Back" and "The Dancing Lesson" by Gene Pearson; the delicious humor of Bob Anderson, that inimitable Lancashire comedian who has simply taken the country by storm this season; Alan Murray's different characterizations, as the Apache Dancer, and as Madame Helena's Maid; the bass solo "Drinking" by Bertram Langley, the magnificent quartette work by Thomas Dunn, Jerry Brayford, Gus McKinnon and Bertram Langley; the breezy comedy of Norman Blume and Jimmy MacDonald; the opening musical comedy "Turned Up"; Leonard Young's latest burlesque "The Duchess Performs"; the khaki scenes called "Heroes"; Canadian audiences are witnessing something entirely different in the way of a soldier show in "Stepping Out" which that talented Canadian Company is offering this year on tour.

The Originals will appear at the Capitol theatre, Kentville, Wednesday and Thursday, May 6 and 7, for two nights only, when they will be re-welcomed by their many friends and admirers in the district after two years' absence. Many of the splendid new hits in the show were brought from London last summer by members of the Company, while three of the big song hits were written by the brilliant Canadian composers, Hamilton Harrower, Keith Handyside, and Willard Crocker. "The Duchess Performs" was written by Leonard Young, in addition to several other numbers Mr. Young has specially arranged for this magnificent production. So successful has this particular show been that it has evoked very favorable comment even from American critics, although so far it has been presented in this country only. Several critics from United States newspapers, who witnessed performances of "Stepping Out" both in the East and West were not slow in adding their mead of praise to the many Canadian critics.

This is not to be wondered at, for in "Stepping Out", Canada's soldier entertainers have struck an entirely novel note in the revue-line. Of course "The Boys" would have to have something about the great war in any production of theirs, but we are not going to tell you what it is at this stage. We may say, however, that it will prove not only a surprise but a decided attraction in the number called "HEROES", which has both a prologue and an epilogue.

Much interest has been aroused in the western counties as the result of a convention called by the Wolfville and Kentville game associations at Amnapolis on May 1 for the purpose of securing game sanctuaries and otherwise protecting the game, fish and forest.

CROSS WORD PUZZLE CONTEST

More interest than usual seemed to be taken in our last week's puzzle, and four solutions were sent in to us. However, only one of the four was correct and that was sent by Miss Hilda Johnson, Church Street. As her family now subscribe to THE ACADIAN we would ask her to please send us the name and address of some person to whom she would like to have us send the paper for six months.

This week's puzzle is again open to all and we hope to receive a number of correct solutions.

LAUGH THAT OFF

One of those high-powered super salesmen entered an office, and seeing a freckle-faced office boy guarding the manager's door, attempted to strike up a friendly conversation. "Your potted plant over there looks kinda yellow," said the salesman. "At's alright," said the boy, "maybe it's an orange tree."

"I don't think you'll get much of a crop," said the salesman.

"Don't expect to," said the boy. "It's a century plant less than one year old."

"Boy," said the salesman, "there isn't much difference between you and a fool."

"Only this desk," said the boy.

FACTS ABOUT TEA SERIES—No. 5

What 'Orange Pekoe' Means

Many buyers of tea have come to ask for 'Orange Pekoe' believing that it signifies fine quality. This is not, however, necessarily the case. In the trade 'Orange Pekoe' is only a name given to the first leaf below the bud or tip on any Indian or Ceylon tea bush. An 'Orange Pekoe' leaf grown at a high elevation usually possesses a very fine flavour. If, however, the plant is grown at a low elevation, it may still be 'Orange Pekoe' but also be of very poor quality. The consumer's only safeguard is to buy a tea of recognized goodness. High grown 'Orange Pekoes' comprise a large part of every blend of "SALADA" and give to "SALADA" its unequalled flavour.

A Disc Clutch that never needs oil

THE new Chevrolet has a new, improved dry-plate disc clutch that needs no lubrication. It has no internal adjustment. It has a positive, smooth action that makes gear shifting easy. A light pedal pressure operates it, yet it has more than a thousand pounds pressure action delivering all the power to the rear axle without slippage. It is fully enclosed.

This is but one of the many quality features of the new Chevrolet that are daily making thousands of people ask: "How can they produce such fine cars to sell at such low prices?"
