Down System

-The solid parts of our bodie are continually wasting away, and require to be repaired by medicasubstances, that restore the lost vitality. There are only two methods of building up the run down system. You can consult the physician, or commence treat-ment with Dr. Slocum's famous remedy, "Psycurse." In all probability "Psychian" will be the hest decres and the cheeper: the end. Stores of medical na advise its use in the worst cases of decline and weakness. It is an invaluable tonic, pleasant to the stomach, builds up the run down system, strengthens the nerves, sets the liver right, cures dizziness and headache, creates appetite, and is an all round family medieine, used by 'flousands of mer, women and children in every part of the Dominion.
