THE NEWSPAPER TRAIN.

UPON Thursday week morning the Tofontaine.

TORIO OFFICIAL TRAIN. ronto organ of the Government announced its intention of making a "big push" to
stem that tide of Conservative reaction
which threatens the political existence of
relied on the unbought its chief paymaster—ALEXANDER Mac-EKNZIE. In the East the game was up: the Ontarios had given no uncertain the Ontarios had given no uncertain

ing bell " had been heard. The " big push " had been heard. The " big " push " had therefore to be made in the West, and Senator George Brown orders the Great Western Railway Company to furnish him a special train at 5 a.m. on Monday, August 7th, to connect at Hamilton with a local train." miles and west in the constant of the matter of news and comment thereon. The Globe office in the matter of news and comment thereon. The Globe special, 'too, would be a big thing, and the advertisement of that appecial engine would be exactly analogous with the morning parade of Van Amburgen's circus through the conservative proclivities of the Forest of Grit stock, in a word, inertial of the conservative proclivities of the Forest of Grit stock, in a word, inertial conservative proclivities of the Forest of the conservative proclivities of the conservative and the conservative proclivities of the conservative and the conservative

as half-past three on the Wednesday afternoon, sixteen hours before any-body read the Globe's article of Thursday, another special train was ordered at the Great Western Manager's office to carry the Toronto Mail to our friends, well we knew that the good cause suffered nothing in Hamilton, where the manay's game was watched with a significant deverament. He manay's game was watched with a significant concentration of expenses by the Ottom of the control of the contr

would do something to correct the Con-servative proclivities of the Forest city. Grit stock, in a word, just now so ter-ribly on the wane downwards, was to be "bulled" by the Laird of Bow Park, and
