Tired Nervous Mothers
Should Profit by the Experience
of These Two Women

Buffalo, N. Y.—"I am the mother of four children, and for nearly three years I suffered from a female trouble with pains in my back and side, and a general weakness. I had professional attendance most of that time but did not seem to get well. As a last resort I decided to try Lydia E. Pinkham's Vegetable Compound which I had seen advertised in the newspapers, and in two weeks noticed a marked improvement. I continued its use and am now free from pain and able to do all my household work."—Mrs. B. B. ZIELINSKA, 202 Weiss Street, Buffalo, N. Y.

Portland, Ind.—"I had a displacement and suffered so badly from it at times I could not be on my feet at all. I was all run down and so weak I could not do my household work, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Compound the credit."—Mrs. JOSEPHINE FEMBLE, 935 West Race Street, Portland, Ind.

Want to Feel Just Right?

Take an NR Tonight

JUST TRY IT AND SEE how much better you feel in the morning. That "tired," headachy, tired, don't-know-what's-the-matter feeling will be gone—you'll feel fine.

TROUBLE IS, your system is clogged with a lot of poisons that your over-worked, excited and unbalanced system can't get rid of. Pills, oils, salts, catenol and ordinary laxatives, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys, not forcing, but toning and strengthening the system. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will not promote, thoroughly, yet so mildly, so gently, that you will think nature herself has come to the rescue and is doing the work.

And, what a relief! You'll be surprised to find how much better you feel—higher, braver, more energetic, more healthy and substantially more contented. Take one NR Tablet each night for a week. You'll make a great improvement every day. Just an occasional NR Tablet after that will help you to keep your system in good condition—keep the feeling just like that.

RIVER VIEW

River View, Feb. 5.—The roads are in good condition, but it looks very much like a storm now.

Mr. Sandy Munn and Mr. James Miner are doing a rushing business of logging.

Mrs. Sandy Munn is making her regular trips to Doaktown this last few weeks.

Miss Christina Miner is calling on Mrs. Chester Miner one evening last week.

We are sorry to hear that our school master, Mr. Wm. McClellan, is in very poor health.

Mr. George Cook is doing a great business of tending landing for John Carr.

Mrs. William Johnston was calling on Mrs. Sandy Munn on Wednesday.

Mrs. Frank Munn and Miss Ellen Munn and Mr. David Storey, Storeytown, was calling on friends along River View on Sunday evening.

Mr. and Mrs. Chester Miner were calling on the former's parents on Sunday last.

Mr. Charles Miner, who was away in Maine for a few years, is home again. His many old friends are glad to see him.

When Baby is Cross

Mothers, when your baby is cross—when he cries a great deal and no amount of attention or petting cheers him up—something is the matter. It is not the nature of the little ones to be cross and peevish—the well child is a happy child. Give him a dose of Baby's Own Tablets and he will soon be well again. They are a mild but thorough laxative; regulate the bowels and stomach; banish constipation and indigestion; break up colds and simple fevers; in fact they cure all the minor ailments of the little ones. Concerning them Mrs. Alphonse Lachance, St. Apolline, Que., writes:—"My baby cried continually but Baby's Own Tablets soon set her right and now she is fat and happy." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

QUARRYVILLE

Not seeing any notes from this place, I thought I would write a few.

Mr. Cook is ill with diphtheria. We all hope he will be around soon.

Mr. Hiram Foy has gone to cook for the Jardine Bros.

Matthew Jardine and Benj. Gerrish are lumbering on the Brook.

Herbert Holt, who has been home has gone away again.

Mr. Robert Tushie came home from Bartibogue, where he has been working.

Mrs. John Gerrish was down calling on Mrs. Frank Dickson Friday.

We are having nice weather and the roads are fine.

There has been a lot of sickness around here lately.

Annie Tushie was calling on friends Saturday.

Miss Annie and Ella Gerrish were calling on Mrs. Harry Wyse.

Mrs. Murray Mair, who has gone to Montreal to undergo an operation, passed through successfully, and is rapidly recovering.

Miss Evelyn Bell was calling on Mrs. Herbert Holt Saturday and Sunday.

Miss Alice Gerrish was calling on friends in Renous last week.

NO 'DUDS' IN SILENT FIVES

A SWIFT, sure light when you want it, and where you want it—on the end of the match-stick. When it goes out it leaves no trace of odor and cause accidents. There are no "duds" in

Eddy's Silent 5 Matches

For safety and economy you should insist upon this brand. Every match in the box will strike. You will not be troubled by flying heads which may cause damage and painful injury. When you blow them out they are out, not partially alight. They are non-poisonous and will not explode when stepped on.

The war-tax on matches practically doubles the cost of the best grades, and more than doubles the cost of the cheaper kinds. You cannot afford to pay taxes on cheap matches which are a constant irritation, and which may cause accidents. Tell your dealer that you want Silent 5's, and see that Eddy's name is on the box.
