DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION,
BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DIS-
EASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS.
The knowledge gained from many years' experience in treating diseases just like yours is of much benefit
to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that
he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every patient
the benefit of the knowledge acquired through the long experience of a graduated, licensed and registered
specialist, in order to bring about the most satisfactory results in the shortest possible time.

NERVE EXHAUSTION

A CONDITION AFFECTING MANY MEN—THE GREAT AM-
ERICAN DISEASE—IT IS BROUGHT ON BY OUR MAN-
NER OF LIVING—OUR WORRY AND HURRY—AMERI-
CANS EXHAUST MORE NERVOUS ENERGY THAN ANY
OTHER RACE OF PEOPLE.
There are a great many men who need treatment for their
nervous system. These men do not know what is the reason they
don't feel right—why they can't work like they used to—why they
tire so easily and why they are irritable, nervous, dependent,
weak, pale and lack ambition. These conditions require the ex-
pert knowledge and treatment of a specialist who has had many
years' experience in just such ailments. A specialist learns by
experience to know just the right treatment at the right time so
that the patient can be dismissed at the earliest possible time. Men
affected with nervous exhaustion have no endurance—no ambition
—everything they attempt is an effort. Life to them appears as a
long gloomy future. Their appetite is poor and variable—they be-
come irritable, cross and discouraged. They have pains and aches
in various parts of the body and there is often indigestion and
pains in the stomach. Sleepless, wakeful and restless nights fol-
low.

RHEUMATIC AILMENTS

SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBA-
GO, PAINS IN BACK, SWELLING, ACHING, PAINFUL
CONDITIONS IN ANY PART OF THE BODY—INFLAMED
AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY
OTHER SYMPTOMS.
Hundreds of men are suffering with some form of Rheumat-
ism. Many of these men go from day to day suffering untold agon-
ies thinking they cannot be cured. They have tried liniments, rub-
bing, massage, salts and other treatments without experiencing
any relief, and they are now going through life thinking they
are martyrs to that burden called Rheumatism. If these men could
only know how easy it is to get rid of many rheumatic conditions
I know they would not suffer another single day. Then all suf-
ferers of rheumatism would be strong and healthy if they could
get rid of the condition. Rheumatic patients are nearly all strong
and robust before being attacked by this ailment, and therefore
it is so hard for the man to understand why he should suffer the
agonies of such a condition. When a man gets rid of such a condi-
tion he feels that a heavy burden has been lifted from his life, and
he starts right out to make up for lost time both in money and
pleasure. When a man comes to my office suffering with the
above condition he is given a most careful examination, and he is
given treatment that he feels is giving him great benefit.

Grantham Tp. Council Meet

The Grantham Township Council
met as a regular meeting in the
County Buildings at St. Catharines on
Monday April the 12th with the
members all present.

Communications were read from
The Ratepayers Association of school
section No. 6, asking the council to
make a strong effort to have the

limits to the New Welland Canal.
Report of triant officer Frank W.

wrote re Hostetter and Townsh of

cision has been given in the case of
appeal before a Board of Judges de-
termining that the gate question is to
be removed.

They also gave notice that several
properties in the township have been
taken over by the Government and
were not assessable, and the taxes
could not be recovered.

Ald. H. E. Rose petitioned for the
construction and installation of a
water supply system for "Rosedale
sub-division" in the Township of
Grantham under the Local Improve-
ment Act, at a cost estimated by the
township Engineer of approximately
\$3,400, to be covered by issue of de-
bentures repayable in ten annual
installments and chargeable by spe-
cial rate on the property benefited.

Messrs Jones & Wilson of Queen-
ston submitted a plan described as
"Carleton Grove Annex" being
part of lot 19 con. 4, of the Township
of Grantham asking the council to
approve of the same.

Moved by Councillor Baker, second-
ed by Councillor Clemens, that this
council approve of the "Carleton Grove
Annex" lan for registration, being
part of lot 19, con. 4 of the Town-
ship of Grantham, subject to the
approval of the Ontario Railway and
Municipal Board, and the Reeve and
the Clerk be authorized to sign the
same. Carried.

Moved by Councillor Stewart second-
ed by Councillor Haynes, that the
petition of H. E. Rose to have a
