## Old Proverbs In New Settings.

The month of May is going to be one of very unusual interest in  
our big city. A quantity of goods has arrived, and we  
are all on the jump selling them.

### Spick and Span New.

That's what the new Hats and Bonnets are. There is not a ladies  
or child's face on this Island that we cannot suit to a "T." The  
new trimmings are elegant—the flowers and ribbons especially. If  
you can't find just what you want in our big stock, you will find it  
exceedingly hard to get a husband to suit you.

### A Nine Days Wonder.

That's what our big stock of Dress Goods is. We bought nearly 3,000  
yards direct from the man that made them, and so are selling them  
at lower prices than we ever were able to do before. At 40 cents  
we have a beautiful line of new goods, and at 28 cents we show a  
handsome novelty. At 70 cents you get elegant goods fit to be  
married in; in fact goods that usually sell at \$1.00 a yard.

### Love at First Sight.

When you see our \$2.98 -tyish Capes, that's what's going to hap-  
pen, we know as a fact that \$4.00 is frequently asked elsewhere for  
no better goods. If you want a good verri-able Cape \$1.40 will  
buy it at our store, and if that is too high we have handsome Capes  
at \$1.05.

### As Good Luck Would Have It.

We struck a bargain in Print Cottons. There was an awful  
quantity, but we cleared the lot. We do not believe any firm in  
Canada has an equal bargain in Prints. A handsome Dress Print  
that we sold thousands of yards of at 13 cents we now offer you at  
8 cents a yard. Of course we're not losing money, but this breaks  
all records and stamps our store as the cheapest on P. E. Island.

### The More the Merrier.

We're having a rattling spring trade, but we want yours too. You  
save money by dealing with us, and more than that we've got just  
the very thing you want.

### Facts are Stubborn Things.

We don't pretend to have all the bargains in the world, but we do  
claim that no shop on P. E. Island is offering so many bargains  
to-day as we are. Call and prove for yourself.

### Deeds, not Words,

Is our motto. We've got ten bargains on our shelves to one that  
we advertise. That's why we have captured so large a slice of the  
business of this city.

### As Merry as the Day is Long.

Because there's no excuse for long faces in our store. A little  
money buys a big parcel of goods that wear well, look well  
and wash well, and we're bound to capture the trade if every smart  
woman who wants to do so will and becomingly.

### Tho' Last not Least.

We've got a hundred Ladies' Black Cloth Jackets all sizes, made of  
excellent cloth, and our price for them is just \$1.00 each. Think  
of it, only one hundred cents for a genuine \$3 and \$4 Cloth Jacket.  
How we got them so cheap is worth knowing, but the most im-  
portant thing is to buy one for yourself and another for your  
daughter.

### What's in a Name?

A good deal. Our name backs up all we have said, and promises  
a hundred other bargains equally as good to every reader of the  
HERALD. Now is the time to buy.

A Crop bulletin just issued by the Nor-

acreage in Manitoba this season, though  
there is a good deal of plowing yet to be  
done. The season has been unusually wet  
so far, and delayed operations. However,  
there is the consolation that after wet  
springs have been reaped most bountiful  
harvests.

The libel case of Laforet vs. the Mon-  
teux Acadian, which has been before the  
courts at Woodstock, N. B., for some time  
past, was concluded on Saturday afternoon  
when a verdict was returned for the plain-  
tiff for twenty-five cents. The case arose  
over correspondence in the Acadien relative  
to the mail service between Grand Falls  
and Edmundston. Laforet claimed \$10,000  
damages.

The Liberals will get the solid New  
York vote, that is, if the attitude of the  
press of that city is to be taken as voicing  
public opinion. But the New York vote  
doesn't count for much in a Dominion elec-  
tion.

Hon. T. W. ANGELL, many years editor  
of the St. John Freeman and Speaker of  
the Dominion House of Commons during the  
McKenzie regime, died in Toronto on  
Sunday last. He had been ill for some  
time.

The Shah of Persia was assassinated in  
a shrine near Teheran on Friday last.  
The assassin fired a pistol at the Shah as  
the latter was entering the shrine. The  
bullet struck near the heart. The wound-  
ed ruler was conveyed to a carriage and  
taken to the palace, where he died two  
hours later. The murderer was arrested.

SIR OLIVER MOWATT has published a  
letter, addressed to Mr. Laurier, announc-  
ing that he will enter the Senate, to as-  
sume the leadership of that body and be-  
come a member of the new (Grit) Govern-  
ment, in case the Grits are successful at  
the polls. Sir Oliver has always been re-  
garded as a very shrewd politician; but it  
is doubtful if he ever manifested his  
shrewdness more fully than in this in-  
stance. He will wait till the party has  
come into power in the Federal Parlia-  
ment before resigning the Premiership of  
Ontario. Quite so.

FARMERS, remember that to have a  
supply of fresh vegetables for the summer  
you must have seeds, and good seeds. At  
we grow vegetables very extensively, we  
claim to be in a position to grow, plant  
and sell seeds that are reliable, and we sell  
only seed that we plant some of the same  
ourselves. Make out a list of  
seeds required and leave it with us when  
you arrive in town, then if you waste your  
time talking politics your seed will be  
ready when you call at

In St. Dunstan's Cathedral, this morn-  
ing, a Pontifical Requiem Mass was cele-  
brated by his Lordship Bishop of Montreal,  
for the repose of the souls of Rt. Rev.  
Bernard D. McDonald, Rev. Charles Mc-  
Donnell, Rev. M. Dabriel, and Rev. J.  
Broderick, who remains have been re-  
posing in the vaults under the Cathedral.  
After the service this morning, the coffin  
containing the remains of the deceased were  
removed from the church and conveyed in  
funeral procession to the cemetery: Bishop  
McDonald died on Dec. 30th, 1889; Father  
McDonnell in 1840, Father Dabriel in  
1845, and Father Broderick in 1873.

Yesterday's Ottawa address says that  
during the past week or ten days the Govern-  
ment has been in almost daily com-  
munication with the home authorities in  
reference to the conditions of the pro-  
posed East Atlantic Service as the Im-  
perial Government will constitute a finan-  
cial aid to the project. The tenders must be  
in by June 10th. The terminal ports in  
Canada will be Quebec in summer and  
Halifax in winter, but after landing the  
mails the vessel may continue on to Mon-  
treal in summer and St. John in winter,  
at the option of the contractors. The ves-  
sel will be required to make, on a round  
trip from port to port, an average speed of  
not less than twenty knots an hour. They  
cannot call at any foreign port, and they  
are to be of not less than 8,500 gross  
registered tonnage.

Canada's Premier made his first statement  
to a press correspondent on Saturday last,  
regarding the prospect of the Liberal Con-  
servative party at the polls. "Our  
friends," said Sir Charles, "need have no  
apprehension as to the outcome of the  
great contest before us. My infor-  
mation from the Maritime Provinces goes  
to show that the Government will come  
back just as strong as in the last House.  
Everything indicates that Quebec will  
nobly respond to duty's call." Continuing,  
Sir Charles said: "I think, perhaps, the  
greatest surprise will come from the pro-  
vince of Ontario, where we have the best  
possible news. Ontario will certainly send  
as strong a Conservative delegation to the  
next parliament as she did to the last. We  
may possibly lose certain counties, but  
where one is lost two will be gained. As  
for the West, Sir Charles said that the  
acceptance of office by the son of the late  
lamented Leader, Sir John McDonald, had  
produced the best possible effect, and the  
Prime Minister predicted a decisive tri-  
umph beyond the great lakes for the old  
party. "There is no doubt whatever,"  
concluded the great Leader, "that the  
present Government will be strongly sup-  
ported at the polls, and their policy vind-  
icated by a decisive majority in the House  
of Commons."

The Paris Temps says that the will of  
the late Baron Hirsch has been opened at  
Brussels. His wife is made the residuary  
legatee. One million pounds is set apart  
for charities in Moravia. Another im-  
portant legacy is left to Baron Hirsch's  
adopted daughter. The will contains no  
other dispositions.

London advises of the first instant say  
that Princess Beatrice, youngest daughter  
of Queen Victoria, and widow of Prince  
Henry of Battenberg, has been appointed  
governor of the Isle of Wight, the office  
previously held by her husband. This is  
almost the first time that such an appoint-  
ment has been bestowed upon a lady.

On Friday last, Sir Charles Tupper was  
greatly surprised by receiving the fol-  
lowing message by cable from the Right  
Hon. Joseph Chamberlain Secretary for  
the Colonies: "I desire to tender per-  
sonal and hearty congratulations on your  
acceptance of office of Prime Minister of  
Canada. (Signed) "Chamberlain."

At an enthusiastic Liberal-Conservative  
convention held at Halifax on Thursday  
evening last, Messrs. T. E. Kenny and  
J. L. Borden were unanimously nomi-  
nated candidates for the House of Commons  
at the forthcoming election. Mr. Kenny's  
nomination was seconded by John A. Mc-  
Kasey, a life-long Liberal, but now an en-  
thusiastic supporter of the Conservative  
party. Good!

MONTREAL Gazette: Curiously enough  
the United States papers are not accusing  
Mr. Chamberlain of bullying President  
Klondike. There is a close analogy be-  
tween the two cases. In both cases the  
unhappy man is acting. Perhaps this  
has something to do with the unac-  
customed silence of the United States' eagle,  
which is always ready to screech when the  
British lion growls.

On Friday last, a sailing vessel named  
the "Harvest Home," Capt. Gilliam, from  
Chamuel, Newfoundland, was wrecked at  
Black Pond, near East Point. She was  
laden with coal and other cargo, and the  
crew were unable to extricate her. The crew  
barely escaped with their lives. The ves-  
sel with her contents, including 600 seals,  
was lost. On Saturday morning she was  
completely broken up. The crew went to  
St. John's where they were sent to their  
homes by the Dominion Government.

States government, residents are appre-

the coast and several hundred miles dis-

A great amount of damage was done to  
property at 20 different lobster factories  
throughout the Island by the recent gale.  
In the vicinity of Georgetown and Bon-  
aventure, boats were blown ashore, sunk  
and smashed, and staging was washed away.  
At North Cape, several boats were smash-  
ed to pieces and many lobster traps as well  
as other gear were completely destroyed.  
In the vicinity of East Point the loss of  
property in the shape of fishing gear was  
also very serious. One factory alone is re-  
ported to have lost four hundred traps.  
The tide, during the storm, was said to  
have been the highest known for twenty  
years.

If?

If you want to preserve  
apples, don't cause a break  
in the skin. The germs of  
decay travel rapidly there.  
So the germs of consump-  
tion find good soil for work  
when the lining of the throat  
and lungs is bruised, made  
raw, or injured by colds and  
coughs. Scott's Emulsion,  
with hypophosphites, will  
heal inflamed mucous mem-  
branes. The time to take  
it is before serious damage  
has been done. A 50-cent  
bottle is enough for an or-  
dinary cold.

HEADACHE.

A SIMPLE CURE.

As a sure cure for headache, whether  
caused by liver, kidney or nerve troubles,  
Burdock Blood Bitters is the most effective  
medicine known. It removes the cause of  
headache by restoring all the organs of the  
system to proper action and health.  
Doubts begin to disappear before testimony  
like this:  
In the spring of 1891 I got a bottle of B.  
B. B. for my mother who had been  
troubled for twenty-five years with sick  
headache. I got it from Mr. W. Paxton  
Baird, of Woodstock, N. B., who gave me  
two other bottles to take home and let  
my mother take her choice. Fortunately  
she chose Burdock Blood Bitters, and I  
returned the other bottles. She used it  
for three months, and has had no headache  
since. We are sure that it was B. B. B.  
cured her as she took no other medicine.
