We cater to the men's trade, and no other. If you were sick you wouldn't call to see a Tailor, or a Blacksmith, about the condition of your health. Of course not; you would call to see a Doctor

If you wanted a Suit or an Overcoat would you go to see a Doctor, or a Shoemaker? Not at all. You would go to see a First Class Tailor.

> WELL, there's where we shine !!! We study the business. We know what suits a young man

we knowwhat suits a middle-aged man, and we know what suits the old gentleman-both in goods and in style. It does not make any difference whether you want your clothes Ready-to-Wear, or Madeto-Order. We are equally in a position to suit you. We do not let a suit or overcoat leave our establishment until it suits and fits the mar who is buying. Our prices are always right when you, take the quality into consideration.

Do not forget that we are sole agents for the famous W. H Leishman & Co., Wholesale Custom Tailors. We have an elegant stock of Overcoats to show you at the present time.

Overcoats, Made-to-Order-from....\$30.00 to \$48.00

Overcoats, Ready-to-Wear \$15.00 to \$36.00

Success Is a Habit

Our habits make us. We are creatures of habit. Whether we are a success or failure is a question of how we do things without thinking. To Save is the only way to

Gloves

We have just the kind of Gloves you need, fined and unlined. Also Wool Gloves for this time of year. Suedes and Tans-both combination, Priec.....\$1.00 to \$4.00

Underwear

Come and get your Underwear before it is all sold. We have all kindstwo-piece and light and heavy weight. Prices per suit \$1.90 to \$5.50

MacLELLAN BROS.

Dominion Parliament

the first few days of June rendered the work of law-making exceedingly distressing. With the mercury hovering round the 96 mark, members of the House were disposed to divest themselves, as far as parliamentary etiquette would permit, of as nany of their garments as possiole; only those of the very slightheat of the debate mingled with the heat of the chamber, and statesmen were sweltering while they wrestled with the great problems of state.

ion engaging the attention of - Commons durng the week ending June 7th, financial position is concerned. was the budget speech, which was delivered on Thursday the Sir Thomas White, This declaration, embracing the financial position and fiscal policy of the government had been anticipated first place it it is not without in terest. All manner of conject- debt on March 31st, 1914, with ures were indulged in, as to what it was on March 31st, 1919. what the nature of the declar- On the former date our national ation would be, as well as the debt was \$335,996,850, while on effect it would probably have on March 31st, 1919, the net no a number of members sitting on the government side of the House, This enormous increase in who are known to have entertained, if not free trade, at least very low tariff ideas. This is The war expenditure taken by particularly applicable to Liberal Unionist members from Westtimes clamored for reduction or ties, especially on agricultural signations from the cabinet of those who could not see eye to and other members of the ernment, relative to the existing tal expenditure for permanent tariff policy. Finally, when the that Mr. Crerar, Minister of Agriculture, had resigned from this amounts were paid during that happened out of the ordinary. Sir Robert Borden, the Prime Minister, read in parliament on Friday the correspond- everything into account, figured ence between Mr. Crerar and himself, regarding the resignation. This all passed over very quietly without any excitement,

In the judgment of the writer the budget speech delivered by Sir Thomas White on this occasion was, under all the circumstances, a most wonderful deever delivered in the Canadian 000 on war account. On the Parliament. The budget speech, cial position of the country, the ally, is, as will readily be under account, was met by the raising interest. During the period of the ordinary expenditure at speech, from every point of view,

and at this writing, no one

realized that anything has hap-

pened out of the ordinary par-

the war, the minds of the feder- \$270,000,000 and the capital exal legislators were necessarily penditure at \$50,000,000, adding SICK HEADACHES concentrated upon that great and to this the estimated) amount for all-important question, and little demobilization, the estimates of else than the most feasible man- the total expenditure for the ner of financing Canada's part in year will be \$620,000,000. To the great struggle seriously en- meet this, the receipts from or gaged their attention. Now, dinary sources are expected to be nowever, that the fighting has about \$280,000,000. This irrelevant considerations loom up, last year, but the explanation for nestions for Canada to consider the great balance between the relate to the completion of the the estimated revenue from or-
