the time approaches for the action of our has been a party of surveyors at work in Provincial Parliament upon this perplexing this vicinity, for the last few days—but Provincial Parliament upon this perplexing question. The great mass of the people have ever evinced a deep interest in the settlement of this question. Statesmon this perplexing question. Statesmon this perplexing question. Statesmon this perplexing question and staff, by the people whether they are Mr. Shanley and staff, and st after speech upon it—and have given their constituents pledge after pledge, that they would vote for it at the proper time.—

Statesmen loss to know from what source the Reportance with the same would vote for it at the proper time.—

Smith, Dubston, Longside, at £12 10s. a head; and a third lot of two-year-old queys, at £10 5s. a head. Mr Scott, Mill. of Fingask, Fraserburgh, sold a lot of three-year-olds, to Mr Stoddart, Cultercullen, at the proper time.—

Smith, Dubston, Longside, at £12 10s. a head; and a third lot of two-year-old queys, strange to hear of surveyors being at work on the line to Goderich, while at the same time the Company are determined to have \$2.15.10s. a head. Mr Scott, Mill. of another street is a grog-shop. I mean time the Company are determined to have \$2.15.10s. a head. Mr George Fowler, Mill. of \$2.15.10s. a h ment become more and more interesting every day; and of course, every motion that Public Library.—We are happy to every day; and of course, every motion that is made either by Reformers or Conservatives, is read throughut the Province, and lished in Goderich, and that it already is made either by Reformers or Conservatives, is read throughut the Province, and lished in Goderich, and that it already Rosehearty, sold a lot of stots, two years especially in Upper Canaday by a large majority of the people, through the medium volumns. To the Sons of Temperance 12s. 6d. a-head for the stots, and £11 a-village against which society ought to jority of the people, through the medium of the press. And anything that may have the least tendency, to favour the final settlement of the Clergy Reserves, crestilement of the Clergy Reserves, cr ates a lively, and even an exciting hope in with the Sons, the Library is open to all mouth, sold a lot of one-year-olds, to Mr G ones to answer the great the minds of the thousands who feel individually interested, for themselves and their choice selection from the various departposterity. As might be expected, some ments of literature; the entrance fee is

Only five shillings and the vide shillings with the vide shillings and the vide shillings with the vide shillings and the vide shillings and the vide shillings and the vide shillings are vide shillings. of our more narrow minded opposition only five shillings, and the subscription two friends would have us believe that there pence per month, thus placing its advan- Andrew, Clush, sold a lot of two-year-olds would you have it begin its work, and will be no decisive action taken upon it—
tages within the reach of all. The Librathat the present Government, being composed of the most incongruous materials,
every information to those desirous of bemarno, sold a lot of two-year-clds is would you have it begin its work, and
at £115s. a-hend. Mr Smith Hilhead of where world you have it edd? Shall law
treak up the gambling establishment, and
queys at £10 a-head. Mr Watt, Scalliemarno, sold a lot of two-year-clds is would you have it begin its work, and
therefore the property of At least, many are desirous that such may be the case. Others say, oh! the Ministry will not be united upon this question -- useful institution. there will be a dissolution of Parliament, See. But to such, we would say, that a large majority of the Representatives, and we believe all the members of the Government, have pledged themselves to act (Wentworth.) will receive our thanks for unon it, fearless of consequences. And sundry Parliamentary documents. we do not doubt, no, not for a moment, but that they will give entire satisfaction to their Honox Election. -- We take the folfriends and supporters throughout the Pra- lowing from the Toronto Globe, of the

Clergy Reserves. To assert or demand the right of legislating upon this as a local question, appears to be the first step which must be taken towards the settlement of this vexed question—and this must be accomplished before Taylor and the must be accomplished before Taylor and Taylor complished before we can expect the Ministry to take further decided action.—

For as the Cancellan says,—"if we first legislate, and then demand the speaker had issued his writ for a new elecwe first legislate, and then demand the tion-not in the case of an election orderrower, it must be obvious to every man of ordinary sagacity, that we will simply get saughed at for our presumption and stupidity, and will have but a small chance of being attended to."

"Sir Allan McNan dissented from this view of the matter; Mr. Henry Smith spoke in support of Mr. Speaker's interpretation; and then the matter dropped.

There is a delightful absence of bifterness

out work enough to keep them actively position towards the Ministerial Bench." gaged for months to come. There has been any amount of talking on the speech from the Throne; and it must be gratifying to know that it has been to the point.

At a meeting of a number of the inhabitAnd athough some of the men that are ants of the Township's of Hay, Usborne Morin on the same subject, said in behalf of the French Canadians, " that entire unanimity existed in the Cabinet, on the Reserves, as well as on other questions, and that the French Canadians would be pre- This long-established and far-famed cat pared to maintain our constitutional rights." We feel pleased to hear such rights." We feel pleased to hear such seatiments from a Lower Canada member. Dr. Rolph, has taken the same bold and decided stand. He says, that "the Ministry are founded on progressive Reform principles, and that they would stand or fall on the secularization of the Clergy. Reserves." The member for Huson, while advancing the same sentiment, spoke as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, as pointedly as any other man in the House, sold a very fine lot of two-year-olds, to the house desired their passage.

The market was held on Wednesday, the 21st mast, on Aikey's Brae, one mile west of the Village of Old Deer, Aberdeenshire, for the Village of Old Deer, Aberdeenshire, to the Village of Old Deer, Aberdeenshire, for the Village of Old Deer, Aberdeenshire, to the Village of Old Deer,

Tononto and Guelph Railway.—
The Galt Reporter of the 3rd instant considerable following:—"It is finally determined, it appears, that the terminus of the Toronto and Guelph Railway shall be at Port Sarmia! and not at Goderich."
The Galt Reporter of the 3rd instant considerable following:—"It is finally determined, it appears, that the terminus of the Toronto and Guelph Railway shall be at Port Sarmia! and not at Goderich."
The Galt Reporter of the 3rd instant considerable form of the Reinder was 32.—Journal & Error of Galeph Railway shall be at Guelph Advertiser of August 26th, says that Whyte, Pickerston, sold a lot of two-year-olds, to Mr. Shanley, with a staff of Survey-ors, arrived in Guelph, and commenced the orselved in Guelph and commenced the orsel Guelph Advertiser of August 26th, says that Mr. Shanley, with a staff of Surveyors, arrived in Guelph, and commenced the survey for a line of Bailcood from Challet and the survey for a line of the sur THURSDAY, SEPT. 9, 1852.

THE Clergy Reserves are creating more interest in the public mind every day, as survey, &c. We understand that there interest in the public mind every day, as head a party of surveyers at work in the following survey of a line of Railroad from Guelph sold a lot of three-year-olds, to Mr D. Smart, at £17 17s 6d a-head. Mr Riddle, Lamermur, Arnage, sold a lot of two-sign in front. It is a place of resort for the old and young—no law forbidding the content of the old and young—no law forbidding the content of the old and young—no law forbidding. On another corner is a brother. Its character is well known. The knewer goes

posed of the most incongruous materials, every information to those desirous of bewill shuffle the question—as best they can.

At least, many are desirous that such may

at Auchlin, sold a lot of two-year-olds, to

Mr Law, Mearns, at £9 10s. a-head. Mr

portrait of the village, I ask you to look may be directed to a point, I will propound Next shall it cleans the brothel, and pub-Milne, Biffle, sold two lots of two-year-one date.

Milne, Biffle, sold two lots of two-year-one dot at £11 13s 4d, and another at £10 10s a-herd. Mr. Bruce, Innerquhomery, bought one lot of two-year old stots at £15 and a lot of two-year-old queys at £10 10s, a-head.—Banfskire Journal.

Shall it say to the butcher, remove your establishment to a distance where it shall not a noney your neighbors and friends?

Shall it then say to the powdermaker, take these things hence, and build your many factory in some undan gerous place? All actory in some undan gerous place? All these things hence and friends?

You have disposed of five of the United Counties of the U

Mr. Brown introduced bills to abolish e Rectories established by Sir John Colhas come with its strong, arm and taken away. You have only the greg shop left, ourne, also to facilitate the recovery of st debts, due by incorporated companies; What will you do with that ! Would you have government remove all the others also to repeal the 16th clause of the com for the public good, and then turn, and on School Act, 12 and 14th Vic., Chap. for the same good, ombrace and nurture also to repeal the Act 13 and 14th Vic. hap. 111; also to fix the annual convention the grog-shop ! "O, consistency whithor hast twon fled?" The grog shop For French 5s. per of the greatest nuisance of them all. The Pupils charged from the term of ent Parliament.
Mr. DRUMMOND stated in answer to Col. Prince, that no steps had yet been taken butchery and powder-mill are local nuisan-or revising the statutes of Canada, but that ces. They are not such in all locations, ces. They are not such in all locations, the Ministry intended to do so the present but only amid a dense population. The Mr. McKenzie moved an address to His

ther four have a reciprocal inflience, but Excellency for a return relative to the ap-nointment of persons in the Customs de-to the grog-shop stands highest and foremostpointment of persons in the Customs department during the last two years, and also a return of the public monies expended within the last four years, in payment of certain missions to Washington, Halifax and London.—Motion carried.

Mr. Gowan introduced a bill to amend the election Bill.

It has demoralized more young men, wasted more from the beauth, and sent more men from them during his residence in General, and hopes by strict attention to business, and hopes by strict attention to business. At his old stand, one door East of the canade Company's Office.

Godorich, Sept. 6in, 1852. V5n33

At a meeting of a number of the inhabitnow taking a prominent part in the House, have been most shamefully abused by the opposition press; yet every reasonable man proper name for a new and thriving Village will admit that the Reformers have spoken to the Purpose of selecting a fit and proper name for a new and thriving Village situate in the Township's of Hay and Uste the purpose. What will the opposition press; yet every reasonable man to the Formation of the Bill was to enable the company to other Road 14 miles on the American side of the line, but it was provided that neither a guarantee of the government or any creditors of the Covernment should be affected by it.

Britis was to enable the company to other Road 14 miles on the American side of the line, but it was provided that neither a guarantee of the government or any creditors of the Covernment should be affected by it.

Mr Mackenzie said that he could not stupidly drunk. Two chidden were with Mr Mackenzie said that he could not stupidly drunk. Two children were with Cassay Thomas 2 to the purpose. What will the opposition horne, adjoining.

All Mackenzie said that he could not let that opportunity pass without asking of the other a suckling babe. The eldest Cameron All Cameron say to the language of the Inspector General? Surely there is not the least appearance of shuffling in his speech. In speaking of the Clergy Reserves he says:—"aling of the Clergy Reserves he says:—"although he entertained every feeling of retal? Surely there is not the least appearance of shuffling in his speech. In speaking of the Clergy Reserves he says:—"aling of the Clergy Reserves he say PURLLY LOCAL MATTERS SUCH AS THE CLEARY RESERVES' QUESTION, he did not care one straw for their opinion, but would vindicate, and, to the best of his ability, maintain our constitutional rights, and that his opinions, on this question, were unchanged and unchangeable." Mr. Marin on the principle of the proceedability, maintain our constitutional rights, and that his opinions, on this question, were unchanged and unchangeable." Mr. Marin on the principle of the bill, and that after the explanation given by the name of ROGER. After a few remarks from Mr. Morin on the principle of the bill, Mr. Drummond rose to say that he did not believe that he should be called on to explain the private transactions of Mr. Young before he joined the Government, and that after the explanation given by the name of ROGER. After a few remarks from Mr. Morin on the principle of the bill, Mr. Drummond rose to say that he did not believe that he should be called on to explain the private transactions of Mr. Young before he joined the Government, and that after the explanation given by the name of ROGER. After a few remarks from Mr. Morin on the principle of the bill, Mr. Drummond rose to say that he did not believe that he should be called on to explain the private transactions of Mr. Young before he joined the Government, what of it?" It, reader, lay on one arm of that centlemes the control of the private transactions of Mr. Young before he joined the Government, and that after the explanation given by the first of the private transactions of Mr. It is unconscious of your affectionate pleasant on the principle of the bill, Mr. Drummond rose to say that he did not believe that he should be called on to explain the private transactions of Mr. Young before he joined the Government, when the first of the private transactions of Mr. Young before he joined the Government, when the first of the first that gentleman the other evening. The drunken mother. We throw no imagina. Doby G. Hon, member for Haldimand could not tion into tais; there was, also I too much his demand is good faith, said that. make his demand in good faith, said that it of reality. We attempted to raise the much properly descend attack. Mr. Youngs' explanation he considered quite sufficient to satisfy any intelligent person. —motion carried.

On motion of Mr. Merritt the house hurtary mammy," while the puor babe next—Fisher Justin and the motion of the whole set he likely focus of th pared to maintain our constitutional the market was held on Wednesday, the rights." We feel pleased to hear such 21st nat., on Aikey's Brae, one mile west

combinitible substances, which did not appear to have diminished, al hough the Goderich, Sept. 6th, 1852. probability is that combustion has been going on for ages. This discovery will setrust, throw some light on a question which has caused so many disputes among learned antiquaries, although it is stated that one was discovered at Viterbo in 1850 from which, however, no fresh information

was afforded on the subject
