He qualified a former Superintendent who had been out of office for about three years, and the Superintendent of the townschool in Owen Sound on the same generous terms. Of the four first alluded to, one at least had Nor held office for three years; of the six who were "certificated" on their application, some, it is true, had taught school; but fortunately for the schools had retired from teaching. The meomptency of most of these men was netorious; as Township Superintendents their visits were regardedsa "enegrand comedy" by both teachers and pupils. Some of the gentlemen appointed may be considered as qualified for the position—but there is no quarantee to that effect; and what we apecially object to is that the imprimatur, of the Aut crat is allowed to give fore favorite, a prestige which notes the substitute give fore favorite, a prestige which notes the substitute give fore favorite, a prestige which notes the substitute give fore favorite, a prestige which notes the substitute give fore favorite, a prestige which notes the substitute give fore favorite, a prestige which notes build be allowed to only without complying with the terms of the Act. TEMPERANCE DEMONSTRATION.—The Temperance Demonstration given in .he Town Hall on Tuesday evening, the 12th inst., proved a success. It was largely attended by the people of the surrounding locality, and four Lodges of the B. A. O. G. T. were represented. Bro. R. T. H. M. Theon Lodge, occupied the chair. Royd Mr Kose delivered an eloquent address in the German language, which was well received. Revels Mordon, Aithen and Vaulst, and also Bro Geo. McLeod and Pat'k O'Brien delivered able addresses in English, and were warmly applauded. An excellent Choir was in attendance, and cheered the audience with some choice music. The best of feeling prevailed, and at an early hour the audience dispensed, well satisfied with the progress of the cause in Zurich.
