

The Indication of Value in Plumbing is the Workmanship.

A good plumber can do wonders with a difficult job. The number of orders received from friends of customers leads us to believe that we are good. We have on hand a large stock of STEAM & HOT WATER RADIATORS, all sizes, and can fill any order sent us cheaper than you can import at the present time.

"ANCHOR" BRAND Cans Lead in Quality.

This year special pains have been taken and our Cans will be superior to all others in at least two respects.

The Cover of every Can will fit so perfectly that it will be possible to seal a case with about 20 cents' worth of solder instead of using a pound, which costs nearly 35 cents.

The Covers of Anchor Brand cases will be put on with patent fasteners instead of being nailed. This will allow the cases to be opened without danger of spilling the cover abroad, which so often happens when the cover is nailed on.
