A WASTE TALK!

All talk about Waists is wasted, unless the one who talks backs up his claim by something more convincing; in other words, he must produce the goods. We feel confident that this Waist talk will not be wasted, because our

made of White Mercerised Oxford, at
\$1.20
 is easily ahead of nine out of ten other Waists at the same price.

HAVE YOU READ IT?

No! Then you have missed one of the best Novels of the day.

Queed is a solitary, pedantic young Queen is a solitary, pedantic young man who drifts mysteriously into a Southern City, settles down in a boarding house and applies himself to the composition of a learned work on "Evolutionary Sociology," oblivious of all human interests and associations. By degrees, the life around him begins to touch him. First at one point, then at another, until in the course of time, he develops into a full-fledged hero of an uncommonly admirable and attractive sort, editor of the important newspaper in the city, and at the last, the successful lover of one of the most sterling heroines in fiction. An intensely human story, original, stimulating, permeated by a delightful humor and a charming spirit. You get it in cloth, 50c.; 2c. more if mailed.
