The Finest Novel

RALPH CONNOR HAS EVER WRITTEN.

"The finest thing Ralph Connor has done, and when we remember his past achievements that is no mean praise. His style throughout is strong and forceful, he has an intimate knowledge of what he is writing about, and his inspired descriptions of the heroisms of the North-West Mounted Police make one glow with the same feeling of pride as do the accounts of our heroes in the battles that are raging now. Ralph Connor shows us what magnificent men and what brave, noble women, the sons and daughters of the Empire, are. It is a joy to meet some of our old friends again, and in the dangers and anxieties they undergo they more than ever show of what pure gold they are made." RALPH CONNOR, THE PATROL OF THE SUN DANCE TRAIL. Cloth 80c, Paper 60c. See the New Magazines, the New War Pictures, the New War Papers and the New War Books.
