Smyth's Men's Wear

Men do not wear our label on the outside, but somehow or another you can tell that it's there. A label that speaks as plainly as that—and always says the right thing—is worth having.

Music for the Multitude!

There is nothing that gives one a more loyal heart-throb than the sound of some well-known National or Patriotic Air, and there is nothing that reproduces these airs with more sympathy and expression than the Columbia Records.

We have a further consignment of 2,000 Records just opened, mainly Patriotic Songs, National Anthems and some of the fine martial music of the Allies. Here are one or two records we'd like YOU to hear:—

Are You a Stenographer?

If you are a Stenographer, this will appeal to you, for it tells of DICKS' SPECIAL, the best Typewriter Ribbon to be had anywhere at any price.

They sell at only 60c. each, \$6.00 per dozen (not less than half a dozen sold at the dozen price).

For three years we have been experimenting with Typewriter Ribbons, and during that time we have tested some dozens of different makes; but of none of them we have been so absolutely sure that we would guarantee them. At last we have found a Ribbon that has stood our most severe test. We have had one of them in use on our own typewriter for over three months, and the copies now are as clean and as clear as they were when first we began to use it. It is Non-Filling, Non-Fading, and Non-Drying; only the finest fabrics and the brightest colors have been used, so that it makes Sharp Writing, Solid Prints and Strong Copies.

We have them in Purple Record and Purple Copying, in Black Record and Black Copying, in Red Record and Red Copying; and we have them for Underwoods, Olivets, L. C. Smith's, Remingtons, Smith-Premiere, Empire, Fox, Denmore, Bar Lock, Hammond, New Century, and all the other Machines used in the city and outports.
