Holland Will Not Surrender Ex-Kaiser

But Will Prevent Him From Becoming European Menace--France Standing for Every Treaty Right--Proposal to Sell British West Indies Mooted -- Plunkett Unfavorable to New Home Rule Bill.

CAMOUFLAGE.
THE HAGUE, March 5. Holland's answer to the second Allied note relative to the extradition or internment of former Emperor or William of Germany will probably be handed Premier Lloyd George by the Dutch Minister in London this week. Intimations have been given that the Netherlands Government will express its willingness to guard the erstwhile monarch and prevent anything that might threaten the peace of Europe.

HOLLAND WILL KEEP WILLIAM.
THE HAGUE, March 5. The Dutch Government in its reply to the second of the Entente Allies' notes, respecting the extradition or internment of former Emperor William of Germany, says that while it appreciates the motives actuating the Allies, declares it is unable to change its previous decisions. It says it is not forgetful of inhuman acts committed during the war, but since Holland is not a party to the Versailles Treaty, the Queen's Government finds itself in a different position from other Powers with regard to these acts. "Since the Government's supreme duty is to respect the constitutional laws of the Kingdom," the note continues, "it can only emphasize that it would be committing an act contrary to law and justice and incompatible with national honor if it consented to violate these laws by abolishing the rights accorded to a fugitive finding himself on Dutch territory." Protesting that this attitude does not put Holland outside the community of nations, the note declares Holland is fully conscious of the effect the presence of the former Emperor has on the Netherlands Government with regard to the country's own interests, as well as international security.

NO MORE CONCESSIONS FROM FRANCE.
PARIS, March 5. (By Associated Press)—The French Government will make a determined opposition to any revision of the Treaty of Versailles that would modify her claims on Germany, it was learned yesterday. The attitude of the French Government, according to the official point of view, is in perfect accord with sentiments of the new Chamber of Deputies. It is held that any further concessions by the French Government to Germany would not be tolerated by Parliament, and if made the Government would be overthrown. The French official view of the economic situation, it was stated in authoritative circles yesterday, is quite the same as set forth in London, that is, all Europe must be put on a prosperous basis. France, however, it is pointed out, is not in a position to make concessions that would affect her own economic interests to anyone, least of all Germany.

NORWAY FAVORS LEAGUE.

AND WHO SOLD HELIGOLAND.
LONDON, March 5. It is expected that the proposal to sell the British West Indies to the United States as a means of helping the balance of the war debt of Great Britain, will be discussed in the House of Commons by Premier Lloyd George, probably on Monday of next week. Opinions obtained privately indicate that the proposal would not be considered.

She Feels She Owes Her Life to Them

WHAT MISS EAGLE SAYS OF DODD'S KIDNEY PILLS.

Ormsby Lady Who Suffered from Diabetes for Five Years, Tells of the Benefit She Received From Dodd's Kidney Pills.

Ormsby, Ont., March 5th. (Special.)—"I feel I owe my life to Dodd's Kidney Pills." This strong statement comes from the lips of Miss Gertrude Eagle, a well known and highly respected resident of this place. And Miss Eagle gives her reasons for speaking out in terms that one cannot fail to understand.

"I have been suffering from Diabetes for five years," she states. "I tried the doctors but they could do nothing for me."

"A friend told me of Dodd's Kidney Pills and of their great value. I tried one box and they helped me. I have now taken three boxes and they have done me so much good I feel I owe my life to them."

Diabetes is one of the most advanced and dangerous forms of Kidney trouble. A remedy that will relieve Diabetes will act much more quickly on minor kidney ailments. Ask your neighbors if Dodd's Kidney Pills are not the sovereign remedy for all forms of kidney trouble.
