and Feildians defeated the Brigus

The first period started at a fast

lip and hardly had the puck been put in play when Jerrett shot from centre

ice, and scored the first goal for

Brigus. The Brigus team worked well

out they could not withstand the com-

fination work of the City forwards.

Payn on a pass from Munn scored

the equalizer, and at the face off Duke

Winter took control and after a pret-

ty run scored No. 2 for the city, just

In the second period the Brigus

team came back strong but the City

boys had it all over them on territory

play and literally bombarded the

Brigus goal. Duke Winter, who play-

ed a great game, beat Roberts three

times in this period, and Herder on a

pass from Winter added another to

the City's score. The score at the end

of the second period was City 6 goals;

With a five goal lead, it looked as if

the City would pile up a double figure

score on the Brigus boys, but Roberts

in goal was unbeatable and saved like

a veteran. The play was very fast

with much individual play and com-

bination work. Gushue and Pomeroy

each scored for the Brigus shortly be

fore the game ended, leaving the City
