Adventures Amongst Royalty.

Royalty caught unawares forgets ometimes they become original in their remarks as in the following anecdote he tells about King Ferdin-

It was in the war of 1912, between Bulgaria and Turkey, and I was tanding on the bridge over the Maritza river at Mustapha Pasha (now the new boundary of the Turks Europe) when Ferdinand of Bulgaria arrived with his staff. Because of the climate which was cold there. garian peasant, a sheepskin coat, and ce as an Englishman, and calling me up to him, chatted very civilly in my own language, which he spoke without an accent. At that moment who always does appear at the the world's drama—a photographer of the Daily Mail. Ferdinand of Bulgaria has a particular hatred and raised his stick to strike the man down and was only reassured when I told him that he was a harmless Englishman trying to carry out his profession as a press photographer.

"Photography is not a profession." said the king. "It's a damned disease." He tells a couple of rattling good tories in connection with newspaper assignments to "cover" movements of the late King Edward and the resent King George:-

One of my calleagues who had been skipper on sea-going tramps before adopting the more hazardous profession of the press, resented being cooped up" in the press box at Puncheston races which King Edward was to attend in semi-state. Nothing would content his soul but a place on the royal stand. I accompanied him to see the fun, but regretted my temgangway up which the king was to come. I think they put my friend the skipper as the king's private detective. wore a blue reefer coat and a good luck I was in a tall hat and company. Presently the king came, in and then, with his gentlemen, he ended the gangway, shaking hands with all assembled on the stairs. The kipper, who was a great patriot, and loved King Edward as a "regular fellow," betrayed himself by the warmth of his greeting. Grasping the king's hand in a sailor-man's grip, he shock long and ardently, and expressed the hope that his Majesty was quite
