LOW HAULING COSTS.

The CHEVROLET One-Ton Truck is adaptable for all kinds of hauling. There is ample power in the Chevrolet valve-in-head engine for every use, and to pull a maximum load over any kind of road or up any steep hill. It is speedy, and provides fast, heavy-duty service at the lowest operating and maintenance cost.

There is a type of body available for any work you wish to do, and we shall be glad to advise you on the type best suited for your needs.

The CHEVROLET is the world's lowest-priced One-Ton Truck into which is incorporated the standard three-speed gear mechanism which is most essential for economical hauling in hilly districts. Leading in high mileage on petrol, oil and tyres, and fully living up to Chevrolet reputation for unequalled economy, the Chevrolet Truck deserves your earnest consideration before you make your purchase.

Write for catalog and come in and we will show you this staunch looking truck.

BERT HAYWARD, Water Street, opp. Ayre & Sons, Ltd.

ST. JOHN'S NEWFOUNDLAND

AUTOMOBILE INSURANCE.

What is the first duty of a thinking Car Owner?
It is to safeguard the lives and property of other users of the highway.

The second is to protect his own interests against inadvertent failure to avoid doing injury or damage.

Fire Insurance on your car is highly necessary. If you agree to that then how much more necessary is insurance against injury or damage to third parties. The premium is very reasonable and the burden is off your shoulders. Under the LIABILITY POLICY, we undertake—

- 1.—To investigate all claims against the assured.
- 2.—To settle up to the limits of the policy or to defend.
- 3.—To pay all costs incurred with the Company's consent.

Consult us, or drop us a line for any information we can give.
